I hold a very high-level trust clearance in the Federal Government am a lawfully abiding carry permit holder in the State of Maryland. I travel in and through Charles County often. It is unbelievable that I could be in violation of a law like this because there is no way I or any citizen could possibly be expected to know every building that Charles County owns or operates in. This is effectively going directly against the Supreme Court's recent ruling and violating my civil rights. It would also cause me to break both state and federal law, thereby losing my clearance, job, and livelihood for no legally sound reason.
