I am adamantly opposed to this gun ban bill. Weapons of all kind are already prohibited from the courthouse. There has not been an incident to justify this stretch of government overreach. Lawful gun owners are just that... **LAWFUL!** The derelicts being released daily by our judges are the ones who need to be on a short leash. Lawful gun owners have extensive experience and training and conduct themselves accordingly. I am more concerned about racists like Commissioner Thomasina Coates possessing a gun. I don't feel safe near her, let alone if she had a weapon.
