First and foremost, this proposed bill is an infringement on Charles County citizens' 2 nd amendment right and goes against our Constitution! Second, no one is above the law, so why should County Commissioners be exempt from this bill? How is this fair to law abiding Charles County residents? Everyone should be equal under the law, especially those who must live and work in unsafe neighborhoods. Lastly, what about the Charles County residents who are not aware of this proposed bill who live within 100 feet of Charles County owned properties? Those who are unaware of the law could be fined, put in jail, or both for simply owning a firearm, which may be used to put food on the tables for their families. With Charles County having the 6 th highest violent crime rate in Maryland in 2020, I sincerely hope that you vote "no" to this bill and allow your constituents to maintain the right to defend themselves.
