This application may require site inspections by Charles County staff or its consultants in order to gain an understanding of the request and associated impacts as related to natural resources, cultural-archeological resources, public facilities and the overall neighborhood compatibility.

By signing this form, the property owner, and/or his/her assigned agent, is providing the Charles County staff, or consultants as assigned and working on behalf of Charles County, authorization to visit and inspect the property on site as long as the application remains active. Such site inspection will not involve disturbance of the property or structures located on the site.

I, _____ hereby certify that I am the owner of the property and/or the Authorized Agent) and I provide right of entry to the above referenced property.

Property Owner (Authorized Agent) Signature: _____ **Date:** _____

*Authorized agents must be assigned in writing by the property owner
