Dear Charles County Board of Commissioners, On behalf of the Southern Maryland Blue Crabs organization, I am writing to express our support and to vote in favor of the proposed Docket 90 Amendment #22-90(22). Increasing much needed workforce housing in our county is critical to the health and welfare of the community. I am sure that all our surrounding businesses would feel the same and welcome a new development and middle school for our children. Regency Furniture Stadium is in proximity of the new site for the middle school and the new Piney Reach 3 neighborhood. Our facility and team welcome the opportunity to serve more families and organizations in this area as our community grows. Thank you for the opportunity to provide input into this critical request. We vote in favor of the Docket 90 Amendment #22-90 (22) and hope this new project moves forward expeditiously.
