I'm concerned about the noise and traffic levels that will drastically increase if moving forward with this plan is implemented. I chose this area because i was getting away from the noise and disruptive traffic of the carrington area of st Charles. To find out that you plan to move our neighborhood in the same direction is disappointing. I've lived in Charles county all of my life and have never considered moving, but the over development of this county is making me reconsider. Please don't do this to our nice, sleepy community. We have a lot of wild life that we enjoy and the quiet. These changes would significantly alter the way of life for us and the surrounding wildlife.
