I want to submit a complaint about the workmanship of my Lennar townhouse in Stonehaven. they need to complete the work on our neighborhoods before moving on to Piney Reach. during my 1st year, I had several issues with my ceilings and a couple of windows that were not probably working. it took months before it was handled but if they had taken their time----it would have been an issue. And also Stonehaven we still after 4 years plus do not have community signage or street lights at the entrance of the property. and now we hear that we have drainage, and erosion issues that need to be addressed before they move on to the next. Please vote against Lennar moving onto the NEXT property. We deserve them to finish with our homes that we have worked hard to pay for. Sincerely, Radiah McLean
