I oppose Lennar's request to change the school location. As Citizens, we need more information and school location options. Please include the public in this decision. I also oppose Lennar's request in the 85% Rule. Our HOA has been advocating for us since 2018. Lennar has done a poor job in ensuring beautiful landscape and upkeep before turning it over to our HOA. There is a ton of gravel everywhere, and erosion happens because the vegetation (grass/plants/trees) cannot grow in the gravel they left within Fieldside. Don't let them do this to another community. Force them to perform the work properly in Fieldside and Stonehaven before they can move on to another community.
