We want Lennar to properly finish the build-out of the communities they started in, which are Fieldside & Stonehaven. The second concern is that they also want to relocate the Middle School from the Highlands Neighborhood to the Piney Reach Neighborhood. The biggest concern about the school relocation is that it will be closer to PowerLines. Homeowners in Gleneagles and Stonehaven were sold on the premise that they would receive a middle school and elementary school in the Highlands Neighborhood. Now that they have built and not properly planned, they need to relocate this school. They are choosing a location without proper notification and input from residents that this would affect. This includes Fieldside. As well this is another instance of the "bait-n-switch" they also sold us regarding amenities.
