We want Lennar to properly finish the build-out of the communities they started in, which are Fieldside & Stonehaven. The biggest concern about the school relocation is that it will be closer to PowerLines. Homeowners in Gleneagles and Stonehaven were sold on the premise that they would receive a middle school and elementary school in the Highlands Neighborhood. Now that they have built and not properly planned, they need to relocate this school. They are choosing a location without proper notification and input from residents that this would affect. This includes Fieldside. As well this is another instance of the "bait-n-switch" they also sold us regarding amenities.
