I oppose Lennar's request to change the school location. Families and community members have not been part of these discussions and need more information. I also oppose Lennar's request in the 85% Rule. Lennar has not held up their part of the deal in multiple communities and want to move on to the next construction due to pure greed. Hold them accountable to finish the job properly. Force them to perform the work properly in Fieldside and Stonehaven before they can move on to another community.
