Docket 90 should not be approved because Lennar has not kept its commitments to the current homeowners of Stonehaven regarding school location in our neighborhood. They should not be allowed to start construction on a new project with a current project incomplete. There are several issues with our homes that are not being addressed by Lennar such as shoddy workmanship with flooring, plumbing issues and drywall to name a few. Please do not allow Lennar to move forward and continue the disservice to our community.
