I would like vote No to Waiver 85. Lennar has not completed several things in my home since closing of my property. It has been extremely difficult to get them to up keep there promises and take care of peoples homes that were built with poor craftsmanship. They often deny tickets and/or send docusign documents for completion of work that has not been done. This has been an ongoing issue and I have reach out to the regional manager on different occasions. Lennar should complete all homes inside and out, as well as complete the neighborhood projects that were guaranteed. Thank you for your time.
