I am against Docket 90. Lennar is NOT a reputable company. They build homes quickly with no quality assurance; rush homebuyer into closing; then will disregard the homeowner requests for service in fixing poor /faulty workmanship and craftsmanship. Lennar ignores and does not own up to issues of homes; therefore, resulting in bigger problems of homes due to the many defects of their homes. Lennar should not be allowed to continue construction in Charles County. The company is only concerned about making a profit. Lennar needs to be held accountable!!!
