I have been a resident of Bryans Road, MD for 23 years. I strongly oppose the proposed plan to redevelop this city. I feel that lack of communication has compromised our rights as residents of this community to have a voice in what we deem as a clean, non-congested, rural/suburb appeal forcefully taken away. I am not against revitalization, however; we as residents, taxpayers, and homeowners are stakeholders in our jurisdiction. Do not proceed with this plan and destroy our quiet and reserved way of living and environment.
