County Commissioners you are paid by tax paying residents to look out for us yet you continue to make poor land use decisions all over the county by approving projects that are benefiting Developers. To remove land from the Mattawoman Creek Watershed runs counter to preserving environmental resources and the County Comprehensive Plan. Have you read it? Listen to what DNR is telling you vote against this sub area plan. The Commissioners are promoting bass tournaments YET you are killing Mattawoman Creek because of poor land use decisions, just like the Maryland Airport. People are watching your decision. Please DENY!
