I am writing to share my opposition to the proposed Greenway trail (Bike trail) connecting across Lower Cobb Neci Peninsula between Swan Point Country Club and Cobb Island. This proposed bike trail will increase foot traffic with the possibility of issues with increased litter, will invade private properties, put property owners at risk of increased liability, bring unwanted traffic and crime, disrupt a serene and peaceful atmosphere, the bridge to Cobb Island will impede boat traffic and potentially put property owners at risk of having portions of their property taken (eminent domain) I own property on Wilson Road and this property has been in our family since the 1900s. We have enjoyed generations of family fun and leisure. We enjoy the opportunity to get away from crowds and traffic. In addition, properties may suffer loss to property value
