Are we supporting our contractors in Charles County Frederick or are all of the contractors outside of Charles County. When you recused yourself from the agenda does that mean you are a filler of questions of concerns that are not relevant of support from the board and the community of input. Can we get current pictures of these areas being spoken of in this meeting. We are in 2023 and 2010 pictures are being shown. And the Bryans Road area are not being considered for the betterment of the community.
