We stayed a small town for a reason. This building plan will not bring what you think. There are thousands of examples where plans like this were implemented and it raises crime, overcrowding of roads, increased drug sales/use, and more. You will ruin our Americana way of life. One or two businesses were asked for and you respond with plans to ruin the Bryans Road gem. The vote is NO. Read Next door Neighborhood and you will see how the residents really feel about this plan. They do not want this. Representatives take heed... vote what your residents want, not what you want. Represent your people.
