##### Comment

I run my business off of Printers Ct in White Plains, for the past 2 years there has been an auto mechanic parking cars along side of Printers Ct., I have called the Charles County parking enforcement and they are not able to get him to remove the vehicles, most of the vehicles are not registered and they set here for weeks, I have approach this person and he doesn't seem to care, there once was, "No Parking" signs on both sides of Printers Ct., not sure what happen to them. There are days that the road is blocked and we have to wait to get the lane freed up to get past on coming vehicles. I have women that work for me and they feel uncomfortable driving through the vehicles. I would like to have the no parking signs reinstalled along Printers Ct., they also leave trash and debris along the road. Across Demar road there is an access road to a vacant lot, people are using it as there trash dump, I would like to has a NO DUMPING sign installed to help detour people from dumping trash there, I caught a person emptying the back of his pickup truck, took pictures called the Sheriffs office went to court as a witness and he got a \$500.00 fine because there wasn't a sign posted on the property. I own property here and feel that the value of the property is declining because of the lack of discipline in the area. I have attached pictures of the area on a typical Friday

afternoon (Fourth attempt to get an answer to our problem
