I moved to Bryan's Road from Clinton 3 years ago because of how quite, rural and beautiful it is. I hated the congestion of Clinton, which to was once a rural, quite community until they began building more homes and businesses. I do not want that to happen here in Bryan's Road. I am against the sub plan that has been put forth. If you plan on building, please do not include more homes in the plan or an airport. Instead we need real businesses such as a better grocery store, more things for kids to do, restaurants but definitely not more houses!!!!!! And not an airport!! The airport idea is completely insane for this small city.
