I moved to the Bryans Road community in 2015. I knew about the community when I was a trash truck driver back in 2001. I could have moved anywhere in the county. What drew me to the area was the country feel of the community. Waldorf side has turned into like a city IE (DC). I didn't want that type of atmosphere. Since I have been here it has been really quiet and comfortable. Small issues here and there but relatively quiet and comfortable. As for Amenities, I feel like the area could use another grocery store option and maybe a restaurant option other than the 3 we have down here. I'm not on board trying to build Bryans Road up like Waldorf. I think if we lose that country atmosphere, I will probably look to sell and move to away from Bryans Road and find another community with a country like feel. Thanks for hearing my voice. I am a police officer in this state, when I get off and come home I

want to come home to peace and not feel like I'm going to run into the subjects I may stop on a daily basis. Again Thanks for hearing my voice.
