Please stop trying to make this county something it is not. If you want to do something bring in real jobs such as skilled nursing professionals. A hospital, 1 hospital won't do for all of the people you are stuffing in this county. We just went thru a pandemic wake up. Paid emergency services, when a fire at a remote location brings 14 trucks from across the county because only volunteer is manning a site that's a problem. Wake up and stop ripping out all of the trees. Stop building bs and bringing the criminal element to my home. Go back to Virginia and pg and anywhere else you came from trying to cause the mess here that those areas.
