CSM POOL My family has lived and paid taxes in Charles County since colonial times. We paid taxes to build the pool, maintain the pool, but now there is no pool. Supposedly it was build to be a community pool. Attending aqua aerobics is vital to the aging population of the community and since not having the option I can tell there is a negative impact on my balance and mobility. Yes, other pools at HS are available but only after school lets out. In the winter it requires your elderly population to drive at dusk or dark. Most of us are uncomfortable driving that late in the day. Please support your elderly citizens as well as the swim teams and anyone else who wants to use the pool. Please prove to us that our taxes are being used to help your citizens. We shouldn't have to beg.
