I am supporting the fixing and reopening of the pool at the CSM campus in La Plata. Charles county has a strong and growing swim community, this is evidenced by the number of outstanding swimmers we have on our summer swim teams, high school teams and the local USA Swim team. All of these programs work to strengthen the others. The fact that there is only 18 indoor lanes in the county is creating a hardship for the swimmers and their families on the USA team and causing conflicts with other aquatics programs. The county needs to support the athletes in this sport and provide more pool space in the county, the reopening of the CSM pool would go a long way towards that goal.
