Charles County needs this pool! As a Senior Citizen who regularly participates in water aerobics, I know firsthand how frustrating it is to have to compete with the public schools schedule to hold classes for aerobics, swim lessons, etc. If the county takes over this pool, not only will scheduling issues be resolved, but many more classes could be scheduled. Especially during the winter months. No classes can currently be held due to school conflicts. Also, classes at CSM could be held during the day, so that we don't have to drive at night when the days get shorter.
