I highly encourage the reopening of the CSM pool. I've been a water aerobics instructor for senior population in the county for 11 years and operate out of the Lackey High school indoor pool. My class has doubled in participants since CSM pool has closed. I also have many seniors that would like to take swim lessons (for adults) and we are not able to offer classes since we have limited availability in the use of Lackey pool. We are not able to use it during the day; I've been told for safety reasons. We are given one hour in the afternoon to conduct a class then open swim/lap swim is offered. If we had CSM pool to operate our senior classes out we could offer more classes, different types of classes and is a great therapy for older adults especially with arthritis. Thank you for your time and the consideration for reopening CSM pool.
