Keeping the pool at CSM open is important to our community . This is the only pool that is not attached to a school and that does not require a membership. It would be a great benefit to our seniors, and community to have access to a pool during business hours. The high school pools are open to the community only in the evenings and weekends secondary to class schedules. This pool will support use during daytime hours which maybe safer and beneficial to our seniors, growing home school population and community members. Our population growing and this is a great community resource for exercise, therapy and to host the multiple competitive swim team. Thank you for your consideration.
