This Danny Williams, Professor Emeritus and Coach from 1970-2011@ CCCC/CSM. I opened the Pool in April of 1974 and Swam laps for 46 years in the early morning until COVID closed the pool in March of 2020. My main teaching responsibilities were non pool classes but I did teach swimming classes, a lifeguard, training athletes in the pool and Most importantly working with Seniors! After retiring in 2011, I continued to be with the Seniors 4 or 5 days a week for 90 minutes before going to the Fitness Center. Closing the Pool during COVID has had a negative effect on my Health; my back has been so bad that it has limited my activities (golf, tennis others). Thanks for the consideration, Danny Williams
