I am for re-opening the CSM pool. I am a career firefighter and an officer in the USMC reserve. It is important that I stay in shape for both of my jobs. Swimming is a part of my exercise routine. I work 24 hour shifts and it helpful to me to have an option to swim during the day. There are many seniors and families who homeschool in the county who would love to utilize a swimming facility during the day as well. Additionally- having a facility that a year round competitive swim club could utilize for practice would bring year round competitive swimming back to the county. Thank you and please re- open the pool.
