I am in support of Charles County supporting CSM in the reopening of the pool. I am also in support of Ch Co Parks & Rec facilitating the operation of the pool via a memorandum of understanding as done in St. Mary's with the Leonardtown Campus. In my opinion, this will be the only way the pool will be able to reopen as I do not believe that, even after repairs are made, CSM is prepared to operate the facility on it's own. The benefits to having this additional indoor facility (which could be open the entire day) are endless – lap swimming, community exercise, swim team, swim lessons (adult and child), lifeguard training, scuba diving classes, summer camps, the list goes on! Thank you for the consideration.
