I respect the roles of officials by all means. The part I don't understand is why are the Bryans Road citizens targeted by personal bias and personal affiliations that our elected representatives are connected with. As a resident at Bryans Road I would like fair, honest and ethical representation for our District. We are uninformed of laws being made to govern our District and being misled by elected politicians that suppose to have our best interest at hand. Instead we are being misled, misinformed and misunderstood for advocating for our 14th amendment right. I request until ethical standards are met we as an entire district on behalf of sworn in officials all political plans need to held off at Bryans Road, effectively immediately. We as the citizens of this district are deserving of that respect and as the 14th Amendment states.
