Mission Statement - The mission of Charles County Government is to provide our citizens the highest quality service possible in a timely, efficient, and courteous manner. To achieve this goal, our government must be operated in an open and accessible atmosphere, be based on comprehensive long- and short-term planning, and have an appropriate managerial organization tempered by fiscal responsibility.

Vision Statement - Charles County is a place where: private initiative is rewarded and businesses grow and prosper, while the preservation of our heritage is paramount; government services have reached the highest level of excellence; the quality of life is felt by its citizens to be the best in the region; and its government is recognized as a leader in support of these expectations.
