Topic - Discussion: Private Road-Edonton Place. Hello Board, My name is Jamaine Thomas and I live in the Stoneleigh Neighborhood and currently a member of the Stoneleigh HOA. My self the HOA Broad and the residents of Stoneleigh disapprove of the road connection of Endonton and Helen Folwer Pl. This road connection will bring unwanted traffic to an existing peaceful community and was built only to sustain the current traffic of residents. The connection to Edonton Place is a portion but the traffic from Helen Folwer Place will use the entire road of Stoneleigh Court. The residents of Stoneleigh Ct weren't notified of the connection to Edonton and Helen Folwer Place. I have also spoken to SMECO on the underground lines on Helen Folwer Place and it's not a concern is the road connection happens or not. I'm sure the overall future plan is housing being built in the surrounding areas of Helen Folwer Pl. I'm not against housing but the increase in traffic would be devastating to the Stoneleigh Community with one road connection which uses Stoneleigh Ct as a "preferred" access to Grosstown Rd. Thanks for your time and if this agenda comes up for a vote, the residents of Stoneleigh would appreciate a "No" vote on this agenda. Once again thank you for your time.
