## CHARLES COUNTY STANDARD DETAIL MANUAL

The purpose of this notice is to provide updates to the Charles County Roads Detail R2.20 - Standard Location of Utilities Closed section of the [Standard Detail Manual](#) adopted July 1995.

These revisions will not apply to any construction proposed pursuant to a valid permit issued prior to December 11, 2023. Also, the requirements of this revision will not apply to pending permit applications submitted prior to the release of this notice, provided these permit applications are issued within sixty (60) days of June 10, 2024, and that some manifest commencement of work is undertaken within six (6) months of the date of the issued permit.

The [Charles County Standard Roads Details](#) can be found on the Charles County Government Publications webpage. Direct links have been provided below.
