### Subject

Incorporating the city of Waldorf

### Message

Like many citizens I am concerned about the governance of Charles County and whether a new direction of rule needs to be taken. While I see the merits to a "County Council" to better address the complexities of growth, it is MAJOR overkill to anyone outside of the Waldorf, the 4th largest city in the state. We are committed to preserving our Natural Heritage and those areas simply do not need the municipal oversight as any large town. It stands to reason that the governance be dedicated to the area that needs administration and not have it be addressed at the county level, as Charles County is unique in preserving farms instead of selling out. Thank you. Sincerely Chris Novack Waldorf MD 20601

Thank you,
