New eComment for Charter Board

Meeting: Charter Board

Item: 4.a) February 29, 2024 Written Comments

eComment: We found the LTE by Chairman Waring interesting. He quotes positions of the "Residents" based on the meetings and public input - Could he provide some metrics to that.. of 170,000 folks, how many people took the Survey, how many eComments did you Receive to date, Im counting about a dozen.. what maybe 200 people total in ALL your public meetings?-- and that eComment process is total crap-ware. Ive had several older folks email me for help to get through the process, its almost hidden on the agenda page -- then it goes offline - There should be a SIMPLE, ONE CLICK solution at the Charter Page. i.e. .Click here to submit a comment for the next meeting. Thank you all for your service. v/r ken
