Comments:

We are frustrated as citizens that have nor received proper communication or interaction from our Commissioner. We're requesting Bill 2023-12 to be approved for Public Hearing and implemented as citizens of Charles County. We're tired of seeing the hostile working environment publicly and we're tired of witnessing funds being used for an appeal surrounding poor ethical behaviors. Bryans Road has not been adequately served by our Commissioner and we are not okay with waiting 2.5 years to change that. District 2 needs another option immediately.
