The fact that 3 commissioners chose to cancel the public hearing on Bill 2023-12 about removing a commissioner says to me none of you 3 have any regard for ethics and doing right for the citizens of Charles County. It doesn't matter if other Code Home Rule counties have a provision or not such as this; it could well be they've never had to think about needing one. Sad to say Charles County does need a provision for commissioner removal. Please reinstate Bill 2023-12 and hold the public hearing.
