This hearing should be held in the community that it mostly effects. The scheduled hearing room in laplata will not hold the amount of people that want to attend. There have been 2 community meetings in Bryan's Road at the firehouse that were well attended by 200+ people. These meeting were not well publicized. This next meeting will be and we will show up. The county needs to let its citizens be heard! Move the meeting to the Bryan's Road community fire house!
