| 10 | - I DO NOT BELIEVE THAT Charles County needs a Charter Government, but I do believe that in the near future BOTH Fire and EMS service will need a paid chief and support staff, reorganization as a countywide system rather than all independent volunteer corporations, better planning and funding for future growth, and some paid response staffing based on need as determined by realistic metrics. | 3/12/2024 9:57 AM |

| 18 | I am aware of the combination of paid and volunteer services provided to the citizens of Charles County. I think these services are an effective use of tax payer dollars, and increasing the paid services when there are so many volunteer opportunities available would create havoc on taxpayers. | 3/5/2024 11:02 AM |

| 1 | No new taxes. Property taxes are already ridiculous.. and you are already doing nothing about the lack of a quality hospital. While still building houses..stop building anything that has nothing to do with infrastructure! | 4/11/2024 1:16 PM |
| 2 | I have never used them | 4/10/2024 5:59 PM |

| 4 | Yes. Until they aren't. I know how houses are understaffed and those willing to volunteer are not getting the training they need or are asking for to better serve the community. A better training program across all houses should be reviewed. | 4/10/2024 11:37 AM |

| 36 | Too long to get an ambulance sometimes, and I live right across from the Waldorf station. | 3/18/2024 1:04 PM |
| 37 | I'm not sure how the fire tax is set up, but according to the fire rescue board meeting video, the Waldorf Volunteer Fire requested 3 new ambulances at the cost of 412,000 each. That's over 1.2 million for ambulances that will likely be staffed by career personnel. Then there's the costs of insuring and fueling. Then there station 58. Is that still being funded? They don't have any personnel. Everyone is struggling gaining new members, maybe it's time the county takes over EMS. | 3/18/2024 1:59 AM |
| 38 | I have a serious concern! I called police on yesterday, man approached me in my yard and stood out side my car asking me for money and cigarettes, I advised him to leave my yard, he walked over on the stood and came back and proceeded to go up my deck steps! I yelled and told him to get off my steps, he hesitated and went and stood over in Park field. I was terrified! My husband wasn't at home, I didn't know if I should get out the car! He just kept standing there! I drove off called my husband, took of him and the non emergency number, when they arrived they advised me another police officer had him around the corner questioning him, she | 3/14/2024 6:59 PM |

told that he is known to them for a while, he is not all there in the head! That terrified me! But she said she could not arrest him, as long as he left my property! I was terrified again! When she left he walked the neighborhood for quite a while asking people for money and cigarettes! Just to think you live your house with people like that just walking around all day and night!! How do you feel safe?? I'm a woman come home sometimes by myself? Why do we just have to deal! They proactive the act after someone has been harmed scared, feel uncomfortable terrified! Why? Lock him up so he won't do this to no one else! Why do we have to live in fear in our own house! My name is Kimberly Williams, 98 Thompson lane

| 39 | In our neighborhood we have to wait for an ambulance from Newburg 99% of the time. | 3/12/2024 4:47 PM |
| 40 | However, I do think we could use more paid EMS people. | 3/12/2024 2:50 PM |
| 41 | First let me say the volunteers have done a great job for decades, but the increasing number of calls and the increased hours of training make it difficult for them to keep up. Call load regularly overwhelms current units in some areas, long response times cause delayed service while many volunteer owned units sit in stations without adequate staffing to respond. There are more than enough volunteer ambulances available in the County, just not enough staffing. A metrics driven approach to planning is needed to address rapidly increasing population and resultant growth in call load. The recommendations of the Fire/EMS Comprehensive Study Report (Aug 2019) need to followed; the volunteers have no long-range plan for rapid growth and need for expansion. This does not require Charter Government! | 3/12/2024 9:57 AM |
| 42 | have not had a need to call them, so am currently unable to answer this question. | 3/11/2024 5:08 PM |
| 43 | I see Newburg Volunteer Rescue responding to calls in my area which should be covered by Cobb Island Rescue? I've often wondered why? | 3/11/2024 12:22 PM |
| 44 | I choose to not use the medical supports in Charles because of the awful service at Charles Regional Hospital. | 3/11/2024 10:30 AM |
| 45 | Too long of a wait | 3/10/2024 8:29 PM |
| 46 | I have heard of volunteer and career having disagreements on the scene. Things like the fire department feeling like lift assist calls should be EMS only, and leaving EMS units on the scene without offering assistance before they leave. Fire 3 is known to walk across the street when a lift assist comes out, so they don't have to run the call. As a paid fire fighter in a neighboring county, this infuriates me. | 3/10/2024 2:51 PM |
| 47 | Paid EMS were moved off of Cobb Island recently, back to Newburg Fire House, 11 miles up the road. That has significantly impacted response times on Cobb Island. | 3/10/2024 2:40 PM |
| 48 | Depends where you are in the county. Some fire houses are understaffed with volunteers as new residents are coming to Charles County are working folks, they are not able to volunteer during the day. The retirees and older population are carrying the fire houses during the day. What happens in a large emergency? Thr majority can drive the trucks, but they cannot physically be expected the manage the emergency like a large working fire. | 3/10/2024 12:32 PM |
| 49 | not enough units in Waldorf. also the outlying areas like benedict and Najamoy are still all volly units without guaranteed staffing. there is no accountability to the volly units when it is not staffed. what's the ROI for multi million dollar stations and fully equipped apparatus (that costs millions also) when there is no one there to get it out and operate it? | 3/10/2024 8:30 AM |
| 50 | I think so | 3/9/2024 10:47 AM |
| 51 | But we can always do better. | 3/9/2024 10:23 AM |
| 52 | Current services are exemplary | 3/8/2024 10:38 PM |

| 61 | You are overworking your paid and volunteer services by continuously building without the infrastructure to support it. | 3/7/2024 12:52 PM |
| 62 | Need more paid EMS | 3/6/2024 12:54 PM |
| 63 | I've only had paid employees respond | 3/6/2024 12:12 PM |

| 67 | Don't want a charter government | 3/5/2024 7:29 PM |
| 68 | This county has grown in population and infrastructure at an alarming rate. In my opinion, public safety has tried to keep up, but it has been a struggle. Many stations are having trouble with filling, some even not having coverage some days. | 3/5/2024 12:11 PM |

| 71 | Increased crime has made County facilities short-staffed to respond | 3/5/2024 11:07 AM |
| 72 | My emergency needs are being met with the combination of paid and volunteer services. I have never noticed anything to the contrary. I think there is excellent coordination of services by dedicated men and women within our County. | 3/5/2024 11:02 AM |
| 73 | Have not needed. | 3/5/2024 10:51 AM |
| 74 | No one wants a charter government. The commissioners are already ruining this county, no need to further destroy it. | 3/5/2024 10:46 AM |
| 75 | Unsure. To some extent I believe that citizens need to be less dependent on emergency services by understanding and using commercial urgent care facilities . | 3/4/2024 8:48 PM |
| 76 | DES policy for transports does not measure up to those counties surrounding Charles. The medics are told they MUST transport if a 12-lead is done. This has multiple effects: it's not the intended tools purpose, it weakens skills and differential diagnosis, and waters the system down. Medic units are sitting on walls waiting for HOURS on low acuity calls. Medic crews should try and remain available to the best degree possible for emergent calls. | 3/4/2024 8:11 PM |
| 77 | Need more EMS units due to volume of new residents and no public safety infrastructure enhancements. | 3/4/2024 5:09 PM |
| 78 | Yes, but I often see both paid and volunteer EMS at the scene for a single patient. | 3/4/2024 1:44 PM |
| 79 | Every body wants to put blame on the volunteers but no one is putting blame on these hospitals that are constantly having us stand on a wall for a minimum of three hours | 3/4/2024 1:06 PM |
| 80 | This is a joke of a survey anyone can fill it out. They don't have to live in Charles to have an opinion. They could literally live in Europe and fill this out if they get the link. | 3/4/2024 10:27 AM |

| 85 | Not sure. Is there a Fire Chief for Charles County Government who everyone reports to? | 3/3/2024 10:48 PM |
| 86 | It is absolutely overworked for the amount of people in the county not to mention all of the town houses going up on the parkway. Our EMS system cannot handle the volume of people coming in. | 3/3/2024 8:15 PM |
| 87 | Many times an ambulance is more than 30 minutes before they respond | 3/3/2024 7:58 PM |

| 93 | Yes. Prior to my father's death, I had to call them out multiple times. No issues at all. | 3/3/2024 3:34 PM |

| 95 | The hospital is one of the worst I've ever seen. The providers are terrible and the choices are slim. EMS do their best with a broken system | 3/3/2024 2:14 PM |

| 108 | I haven't used 911 in years but we need to get ahead of the curve. Volunteerism is declining and we need to be proactive, not reactive | 3/3/2024 11:10 AM |

| 135 | Need career firefighters that are assigned to fire equipment. Not just EMS / Hazmat | 3/2/2024 3:41 PM |
| 136 | Not always, frequently there are not enough staffed ambulances available to meet the number of calls in some sections of the county. This results in long response times and long waits for citizens in need of emergency assistance. | 3/2/2024 2:31 PM |
| 137 | Volunteer companies are regularly getting out understaffed, late, or not at all. The county fire chief and chiefs around the county attempt to cover these statistics up. This counties lack of disciplined emergency service practices WILL result in the death of a citizen or emergency service personnel. (I am a Charles county volunteer firefighter giving my opinion) | 3/2/2024 1:50 PM |

| 145 | Command staff need to be out on the street to supplement crews. There are numerous paramedics that sit in an office all day that do not saddle up when it gets busy. There is a serious management and leadership problem within DES. | 3/2/2024 11:03 AM |
| 146 | Need more career units | 3/2/2024 8:35 AM |
| 147 | Because they keep build homes in the county even though all of public safety recommends not to each time a new neighborhood is presented. So stop building homes and hire more EMS and we could be covered then | 3/1/2024 10:17 PM |
| 148 | On the fire side | 3/1/2024 1:59 PM |
| 149 | The county continually depletes southern EMS services to send units north when Waldorf and La Plata units are tied up. The current DES Duty Officers spend more time shopping, at Planet Fitness and attending meetings rather than responding to emergency calls. They also delay services from constantly being out of their response districts. | 3/1/2024 1:06 PM |

| 3 | Yes | 4/10/2024 9:10 PM |
| 4 | Convert all EMS services to paid and run by the Emergency Services Director/County EMS Chief. Leave the fire service volunteer. Animal control needs to be moved under another entity other than Emergency Services. More like the sheriff's office. | 4/10/2024 7:07 PM |

| 12 | No Charter Government is needed period! | 4/10/2024 11:22 AM |
| 13 | Need our current medical capacity expanded, another hospital. Crime rates have increased significantly in all areas of the county and are overwhelming the Sheriff's departments, police department in LaPlata and the state police department, would like to see more community policing, or a volunteer police program established | 4/10/2024 9:27 AM |
| 14 | I object to charter. No data to effectively improve anything . It's all about control and a civil servant you can never get rid of. | 4/10/2024 7:39 AM |
| 15 | The county only has one hospital but a lot of pop up medical facilities. While the pop ups have increased, the hospital is not able to keep up with the growth in the county. | 31 | We need paid fire fighters and EMS. | 3/29/2024 6:40 AM |
| 32 | You need to proper fund the emergency services. It's not the form of government that is important. It's the commitment from individuals to follow ethical and legal guidelines | 3/28/2024 2:05 PM |

The more people that are put in the mix, the greater chance for corruption and discrimination. No charter board | 3/22/2024 7:25 PM |
| 41 | Emergency services are being met and fiscally being met by 70% volunteers. If additional incentives given to volunteers would be much less expensive than going the charter route like Prince George's County. 100% against charter government and giving power and control to one. | 3/22/2024 7:11 PM |
| 42 | No charter government. You board was appointed by commissioner in which three of them have proven to be extremely unethical, the latest one suspended from his job . | 3/22/2024 3:40 PM |

I've experienced some delay in calling 911 and witnessed the EMS vehicle had to call for additional help with helping to lift my aunt. The EMS individuals needed to call for additional help to lift her. She weight was approximately 190. | 3/19/2024 11:07 PM |
| 56 | No charter govt. | 3/19/2024 9:46 PM |
| 57 | NEED MORE STAFFING FOR ALL LEVELS OF EMERGENCY SERVICES. | 3/19/2024 9:18 PM |

| 70 | More Hazmat Technicians | 3/19/2024 11:36 AM |
| 71 | No not necessary | 3/19/2024 11:33 AM |
| 72 | I believe these services should be provided to every community, the question remains however, what is the plan to fund these services. I do believe we as homeowners should not be responsible for the incurred cost of maintaining these services outside of our taxes. Our tax dollars should cover these costs but I fear we will bear the majority of these costs with outrageous tax increases. | 3/19/2024 11:06 AM |
| 73 | Animal control assistance to help enforce any CC policies regarding animal ownership. Too many pets running loose and too many owners not picking up after their pets | 3/19/2024 10:57 AM |
| 74 | None. | 3/19/2024 10:51 AM |

| 76 | Animal Control. More people from PG County and DC are moving here with their pitbulls making it unsafe for people to be outside. | 3/19/2024 10:26 AM |
| 77 | Try providing benefits such as education or tax breaks to volunteers. This will help foster a sense of community. The current property tax break is insufficient and excluded people who make too much money. Why is their time any less valuable than someone who makes less? | 3/19/2024 10:21 AM |
| 78 | Not if it includes a charter government! Secondly, the housing and population is exploding. | 3/19/2024 10:13 AM |

Charter Board of Charles County Public Safety Survey

Property taxes are unreasonable already. A charter government will more than likely increase taxes and fees similar to PG County. It is unlikely that a retired person can stay in this county and not live in poverty. This not only is for the county but for the state in general. Tax and fees democrats! Oh and the roads are crappy too!!

| 103 | I am confused by this statement it makes it appear that Charles County has already voted for Charter Government. At the very least is seems that you think all citizens are for Charter Government. Everything I have watched and read about this charter government has indicated that the majority of the commissioner have made up their mind and the citizens have no say. breaking point as it is, with all resources frequently being tapped out by regular call volume, let alone if there's any kind of major incident. We desperately need more Emergency Services personnel of all types before we continue building more housing and bringing more citizens into the county, or we're going to end up in a situation where 911 calls go unanswered for minutes at a time due to a lack of call takers, and calls left holding for sometimes hours (which already happens fairly often, depending on the call type).

|-----|---|--------------------|
| 108 | The volunteer system isn't working. We need career firefighters and EMS employees...and more of them. If you're going to develop the hell out of the county, the emergency services should be able to keep up. This includes the hospital. The hospital in La Plata is the worst. They don't give a damn. Much like the current commissioners. | 3/12/2024 10:13 AM |
| 109 | The County Government Leadership needs to thoroughly read and follow recommendations of the Recommendations of the Comp. Study Report Aug. 2019. EMS needs to be taken over by County. Career personnel already respond to the majority of EMS calls in vol owned units out of vol owned stations. A combined service is still needed, but with adjustments. Early on the majority of calls were run by vols and supplemented by career, but now the majority of calls are run by career supplemented by volunteers. The County and the Volunteers need to recognize this and make adjustments to reflect this shift. The County should start buying their own units since they staff them 24/7/365 (standardization will improve safety and efficiency of personnel) and build new stations to replace old ones and to address growth and call increase. This does not require Charter Government! | 3/12/2024 9:57 AM |

| 116 | Yes | 3/10/2024 11:02 PM |
| 117 | There was a fire in Stonehaven last fall. The response time to the fire was far too long. The whole structure was gone by the time they got here - thankfully everyone got out. We need paid/career Fire and EMT. VFD has little to no diversity and is a good ole boys club. It's time to evolve like other large communities and have some real oversight for our public safety. | 3/10/2024 10:37 PM |
| 118 | Give the volunteer ambulances to paid people and give them their own stations so they aren't paid service for the volunteer stations. | 3/10/2024 8:29 PM |

| 126 | to know how much we get for the amount of money shelled out to the system we would need to know how often the unit is staffed and by how many (minimum staffing or above). to do this first step the unit should not be "in-service" unless staffed and we could then track hours above minimum staffing. This would also give us info on the times of day and days of the week that staffing is needed at which stations it is needed the most. with that information we | 3/10/2024 8:30 AM |

| 128 | Adding additional paid medics should be budgeted each physical year, to ensure ALS coverage at all volunteer stations. The county should give our citizens who volunteer and take the necessary classes to provide emergency care, a tax break on their property tax as incentive to continue to volunteer their time. This would keep the volunteer service running smoothly and keeping the expense of having a completely paid system out of the tax payers pockets. The volunteer system is also a great resource for the youth of our community, and could be expanded and provided a great avenue to keep our youth on the right path. | 3/9/2024 1:46 PM |

Multiple times calls are being sent to another station or even multiple stations to fulfill the calls. You're seeing it everywhere. It's causing depts from other counties to come help. Essentially putting peoples lives at risk with the response time. People have DIED due to response times in this county but they don't see that. | 3/3/2024 5:41 PM |

| 329 | Pay increase for first responders. Full staffing for first responders. Government provided childcare for essential workers. | 3/3/2024 2:13 PM |
| 330 | ALL stations within charles county needs at least 1 county staffed ambulance It's not fair that some areas are guaranteed EMS service and others are not that rely on volunteers that don't always staff their units. Every tax paying citizen should be entitled to the same privileges | 3/3/2024 2:10 PM |
| 331 | ANIMAL CONTROL needs to be more visible. Dogs, especially aggressive breeds like pits bulls and huskies ALWAYS get loose. Residents use NEXTDOOR to find owners. ANIMAL CONTROL should start policing neighborhoods and communities on a regular basis. | 3/3/2024 2:08 PM |
| 332 | Suck a dick. | 3/3/2024 1:28 PM |
| 333 | I think the noted services, particularly EMS and Fire & Rescue deserve increased and consistent funding and pay. The trucks, equipment need updating and it should be priority 1 considering they save the lives of Charles County residents everyday. You cannot ask or expect the best of your not proving the money and best resources for them to do their job whether it volunteer or paid. | 3/3/2024 1:28 PM |
| 334 | Increase staffing to 2024 levels. Volunteers need help. | 3/3/2024 1:27 PM |
| 335 | Definitely NOT! Leave it alone! | 3/3/2024 1:27 PM |
| 336 | I believe the county would benefit greatly with paid fighter fighters | 3/3/2024 1:24 PM |
| 337 | Paid fire | 3/3/2024 1:18 PM |
| 338 | Hire more career staff. Give them more authority than they have. | 3/3/2024 1:16 PM |
| 339 | Wouldn't 24/7 fire and EMS improve overall delivery of those services to residents? | 3/3/2024 1:11 PM |
| 340 | Add more career staffing and support the volunteers that show up more. | 3/3/2024 1:10 PM |
| 341 | I prefer having professionals who receive wages and benefits to serve our county. This ensures stability within the workforce and is likely to improve response times and performance expectations. | 3/3/2024 1:06 PM |

| 344 | Full career control of EMS, Fire, and all other emergency services | 3/3/2024 12:31 PM |
| 345 | Charles County Government needs to fund DES for the full budget requests that they have asked for | 3/3/2024 12:24 PM |
| 346 | No. It will increase taxes 3 fold, and it won't stop there. Police will be run like PG and Baltimore counties. | 3/3/2024 12:19 PM |
| 347 | Establish a career/professional fire department. The volunteers are great, but people work jobs and their services are unreliable | 3/3/2024 12:18 PM |
| 348 | No leave as is. | 3/3/2024 12:12 PM |
| 349 | Fires burn hotter and faster than in the past due to modern building construction and the composition of many furnishings and other home goods being petroleum based. Occupants have less time than ever to escape a fire in their home. Volunteer companies that are understaffed, unstaffed, or reliant upon home response do not afford the best chance of survival for trapped victims and secondarily in preventing undue property damage due to delayed response and extinguishment. | 3/3/2024 11:51 AM |
| 350 | Do what is best for the citizens and have 24/7 career staffing | 3/3/2024 11:45 AM |
| 351 | Do not raise taxes. You have a system in place that needs to be fixed by reducing the number of calls such as public assist, Fire alarms that are repeat do to non compliance and maintenance. | 3/3/2024 11:41 AM |

| 371 | Yes career fire and ems with keeping volunteers but one county system not each station responsible for and accountable to it's citizens | 3/3/2024 10:18 AM |

| 373 | Financial incentives, daycare possibilities, and/or other fringe benefits to spur community members to become active long term volunteers at VFD/VRS. | 3/3/2024 10:08 AM |
| 374 | Need more paid services. Volunteers are few and far between and the truth is the volunteers aren't riding the ambulances. Staffingnon the fire trucks is also getting slim. Need to start supplementing stations before they continue to not get out when needed | 3/3/2024 10:05 AM |
| 375 | No | 3/3/2024 10:03 AM |
| 376 | Need more paid paramedics to work with volunteer ems. Volunteers are essential. | 3/3/2024 10:01 AM |
| 377 | Absolutely!! Volunteer EMS is gone, the average ACTIVE member at a station throughout the county is probably 5. Look up the stats, actually find out how many they have, not just "members on the list" but actual active members that physically run calls and can produce stats. | 3/3/2024 10:00 AM |
| 378 | Stations are double dispatched due to not getting out on the regular. Units are constantly failing. There is a lack of standards throughout the county with no oversight. Yes on paper there is but there is no true accountability. Volunteer numbers are falling nation wide. This issue needs to be addressed before it becomes a bigger problem. I would feel much safer with paid firefighters | 3/3/2024 9:56 AM |

| 380 | We definitely need more police and emergency response services here | 3/3/2024 9:48 AM |
| 381 | There needs to be more accountability on how the current funding is spent by the volunteers. They have immaculate, huge buildings with lots of "parade ready" apparatus but nobody to staff the units. It seems the funding could be spend more responsibly. | 3/3/2024 9:42 AM |
| 382 | Stop paying volunteers for answering up understaffed so they get paid and don't show a "scratch". Be more vigilant on overseeing the volunteers and how many people respond instead of the padded rosters they have in an attempt to keep their doors open. | 3/3/2024 9:34 AM |
| 383 | 100% Paid EMS with the opportunity to volunteer. Hold volunteers to the same standard that paid EMS is. Paid Fire for stations with staffing issues. | 3/3/2024 9:34 AM |

| 386 | All services should be provided a study for evaluation of staffing, benefits, and salary in comparison to the needs of the county as well as comparable services in surrounding agencies to create a competitive workforce and provide recruitment and retention. Consider additional grants for funding to supplement costs for the county government. | 3/3/2024 9:07 AM |

| 388 | No | 3/3/2024 8:57 AM |

| 390 | Hire more career staff | 3/3/2024 8:41 AM |
| 391 | Combination Paid/Volunteer is the most cost effective for the county residents and service is satisfactory. A fully paid system will cost the taxpayers too much. Taxpayers are over taxed now. We don't need any increases. | 3/3/2024 8:03 AM |
| 392 | No change needed | 3/3/2024 7:54 AM |
| 393 | Presently Charles County is limited to dispatch outside the County. Especially during the Covid-19; have they done a study on the surrounding counties with the same situations? Have they come up with possible solutions on improvement? | 3/3/2024 2:09 AM |
| 394 | I feel that all EMS/Fire services members should be provided with the necessary equipment and training to handle all emergency situations. All emergency personnel should be paid employees. | 3/3/2024 12:20 AM |

| 408 | In addition, I have witnessed at least three occasions where residents allow their dogs to roam and they they are not tended to. They are aggressors towards other dogs who are on a leash with their owners. It's a shame that when residents want to take a walk around the neighborhood, they have to carry sticks or weapons for protection. We should be able to be proactive about our health and not have to worry about being attacked by dogs. | 3/2/2024 6:46 PM |

| 422 | I will not vote for charter. I do not trust the way the process came to fruition under the manipulation of of 3 commissioners that I do not trust and want to vote out of office. | 3/2/2024 5:04 PM |
| 423 | I'm a fan of the combined services. Volunteer emergency service has a long, proud history in our country and our county. It provides opportunity for residents to use the skills they've learned to serve their neighbors while providing a place and organization for friendships and leadership development that makes our community all the more stronger for it. When the paid services fill the gaps of volunteer service, it ensures all are covered and cared for. | 3/2/2024 4:46 PM |
| 424 | Leave it like it is. | 3/2/2024 4:26 PM |
| 425 | Why dont we have around the clock fire /ems? the Vol system is a dying breed. How many stations are failing or barley getting out by the 5 min mark? How many times is another station alerted knowing that theres a high chance the closer station to the call just might fail to respond? | 3/2/2024 3:41 PM |
| 426 | Skip the expansion of government that is Charter and use those funds instead to expand emergency services. I mean, you want to save lives and not advance a political agenda protected by those that protect racial hatred, right? | 3/2/2024 3:36 PM |
| 427 | Paid fire service | 3/2/2024 3:03 PM |
| 428 | The county is busting at the seams with most stations barely able to provide service adequately. It is time for fire service to join the ems where there is substation over site and fix to the staffing problems county wide. | 3/2/2024 2:51 PM |
| 429 | More paid EMS. If volunteer continues, it should be regulated by the county. No individual stations. All stations under county government. County has the use of all stations, vehicles and equipment. | 3/2/2024 2:43 PM |

| 433 | Budget needs to be increased and additional personnel hired | 3/2/2024 2:10 PM |
| 434 | Properly fund and provide additional incentives to the volunteers we have in place now. Jurisdictions all over are having problems hiring First Reponders. Getting rid of the volunteers would be detrimental to this county's public safety | 3/2/2024 1:54 PM |
| 435 | I don't think a Charter Govt is what the residents of Charles County needs. If there was a way to eliminate 911 from having to dispatch for non-emergencies it would help alleviate the system or build another hospital for all of the ignorant people who want to be transported. | 3/2/2024 1:52 PM |

| 446 | We need a paid Fire & Ems system to ensure we get highly competent and timely responses from the emergency sevices. At the very least the current practice of every fire department is their own entity that makes up charles county fire and ems needs to be unified, the county needs to step in and establish leadership and logistics ie standardized gear and equipment. | 449 | Maybe the government should encourage volunteering and stop throwing money at everything. | 3/2/2024 11:41 AM |
| 450 | I think we need to staff emergency medical services with full-time paid staff members. We can supplement with volunteers, as a reserve staff, but not base the emergencies services provided on those volunteers. | 3/2/2024 11:26 AM |
| 451 | NO Charter. | 3/2/2024 11:22 AM |
| 452 | Animal Shelter more centrally located to better serve the animals and people. White Plains is a good area. Climate controlled kennels and night drop area. TNR programs with managed colonies. Paid fire service to supplement the volunteers. | 3/2/2024 11:18 AM |
| 453 | Animal Control is running blue lights on their vehicles which is illegal. EMS Division command staff should be required to run one shift a month on the street. | 3/2/2024 11:03 AM |

You're listening to a washed up previous chief from PG county that's not even off probation at his Charles County volunteer department. Whom also ran his previous department into the ground, there's news articles on it. If the charter board is going to listen Mr. White and think that he is a good example of what to do then I want none of you deciding anything regarding our county's Emergency Services. | 3/1/2024 3:35 PM |
| 471 | Provide more support to the current system | 3/1/2024 3:27 PM |

| 473 | Place additional EMS units in service on the east and south sides of the county. Hold DES responsible, when they are on critical staffing and still have a dozen employees sitting in offices on Audie Lane. Provide support to the volunteers to continue their success in response and recruiting. Provide more incentives for county residents to volunteer/serve. The property tax break that was approved is a joke, especially when DES employees are receiving a larger break. | 3/1/2024 1:06 PM |

Q4 Charles County residents are served by 100% volunteer fire service. Would you support supplementing the volunteer fire service with a combined paid and volunteer fire service which would also include a county funded Fire Chief position, in the same manner as the current volunteer and paid EMS system?

| 17 | The volunteers are fine but I think there should be more incentives to stay volunteer | 3/23/2024 5:49 PM |
| 18 | I suggest that the County Government develop real incentives for the current volunteer fire and EMS personnel which would attract more volunteers at very little cost to the taxpayers | 3/22/2024 8:29 PM |
| 19 | This County needs a career Fire Department. The Volunteer Firefighters are unreliable and potentially cause more damage than an actual fire does | 3/22/2024 7:05 AM |

| 23 | I think we should have a paid career fire service system. | 3/19/2024 11:11 PM |
| 24 | Why is it needed? | 3/19/2024 10:05 PM |
| 25 | Having adequate access to emergency services sounds expensive until your house is on fire | 3/19/2024 6:41 PM |
| 26 | It would cost millions of dollars. Almost 100k for each paid fire fighter. | 3/19/2024 12:18 PM |
| 27 | What is the difference? I would like to see a complete breakdown of the cost and difference. There must be a reason we have volunteers correct? So why are we not paying them initially? | 3/19/2024 11:19 AM |
| 28 | By way of donation, yes. | 3/19/2024 10:55 AM |
| 29 | Taxes are high enough unless you figure out a different way to allocate the money. All these homes popping up wherever there is a blade of grass, but no additional businesses to help with taxes, it's ridiculous. | 3/19/2024 10:28 AM |
| 30 | Fire response is currently adequate and beefing up the volunteer system will only help to ensure it remains that way. | 3/19/2024 10:23 AM |
| 31 | Possibly- The volunteer input and cooperation is critical. Take lessons from PG! | 3/19/2024 10:19 AM |
| 32 | Our taxes are already outrageous. I trust volunteers much more than government employees. | 3/18/2024 1:30 PM |
| 33 | I think this would create consistency; such as PG county and other counties that have proven to succeed. | 3/18/2024 1:06 PM |
| 34 | We need guaranteed responses, the out of control building in this county is increasing the call volumes without increasing the services like fire, police, EMS, hospitals. | 3/18/2024 2:03 AM |
| 35 | No need and costs would be too high. We also already know alternate board member mlchael is looking to be made the chief. | 3/15/2024 2:53 PM |
| 36 | I'm not sure, I need to better understand what's not getting done with an all-volunteer fire service, what other counties are doing to address issues like ours and options for funding. | 3/15/2024 6:44 AM |
| 37 | This will increase already high taxes | 3/14/2024 9:34 PM |
| 38 | Absutely we need it | 3/14/2024 7:03 PM |
| 39 | Once you introduce paid crews you will lose a lot of the volunteers and still end up short staffed. Just look at Prince George's County. | 3/12/2024 6:35 PM |
| 40 | No, because it has been shown in other counties not to work. If the Fire Chief position was funded would this person be voted in? How could the citizens be sure that the person put in | 3/12/2024 3:06 PM |

| 42 | I support ethical behavior from our elected officials. Accountability and Ethical behavior is always important. We ask for it. We expect it. We demand it. We march for it. Sadly, Accountability and Ethics only matter to many when it comes to holding others accountable. Why is that?! | 3/12/2024 1:23 PM |
| 43 | Again, the volunteers have done a great job for decades, but the increasing number of calls the increased hours of training have started to make it difficult for them to keep up. Most companies do not need 24/7 paid staffing but some need staffing during times when vol are not typically available based on data. The need for additional stations to cover new development may well require paid staffing and County built stations with county owned apparatus. County Government Leadership needs to thoroughly read the recommendations of Comp. Study Report Aug. 2019. The current system has 14 independent incorporated volunteer departments. There needs to be one fire chief with authority over all companies. A County paid Chief is needed to develop metrics (response times and staffing, etc.) and measure performance, develop a strategic plan and request funding to deal with growth in the future, establish and enforce systemwide policies and procedures, all with input from the current volunteer chiefs and association. The Paid Chief should assess the equipment needed and its location. Currently there is way more equipment than vol personnel to staff it and at least one company needs be disbanded and merged with a near by company as has been recommended by the last 2 Comp Studies. The County needs to plan for the future now, not wait until there is a crisis. This does not require Charter Government! | 3/12/2024 9:59 AM |
| 44 | If volunteer base is not sufficient | 3/12/2024 9:36 AM |
| 45 | We have enough Chiefs need more Indians in the EMS side only | 3/12/2024 9:02 AM |
| 46 | This is actually a two fold question and should be broken down further, so that people can respond to 1-volunteer and paid fire service; 2-county funded Fire Chief position. | 3/11/2024 5:30 PM |
| 47 | Do we really have a choice? | 3/11/2024 4:27 PM |
| 48 | As long as the Paid Fire Chief has command and control over the volunteer's,budget and equipment allocation. The slow stations are getting too much and the busy stations are just getting by. Some stations have wasted equipment just sitting around with dry rotted tires. | 3/11/2024 12:27 PM |
| 49 | Pay all of the workers. Volunteers should only be just those who choose to volunteer for service. | 3/11/2024 10:32 AM |
| 50 | I think it should be 100% paid firefighters. | 3/11/2024 7:51 AM |
| 51 | I believe we should give more incentives to Volunteers. This would get more to join. Keep taxes low. | 3/10/2024 11:29 PM |
| 52 | I want help when I call 911. This isn't about what the volunteers want (or career), this is about what the county needs. | 3/10/2024 2:52 PM |
| 53 | Only if volunteer staffing is not able to serve the population sufficiently | 3/10/2024 11:50 AM |
| 54 | not in the same manner! The current EMS chief is not in control of volly staff. If there is 3 crews at one station and no volly crew or DES staff at a diferent station the ems chief cannot move them. she should be able to. | 3/10/2024 8:45 AM |
| 55 | It's going to be like PG county... a train wreck... it's doesn't take a rocket scientist to figure that out...I think I need to join a volunteer service... | 3/9/2024 1:57 PM |
| 56 | It'll cost more money | 3/9/2024 11:41 AM |
| 57 | Saw it in PG; did not work then still does not work now. | 3/9/2024 10:26 AM |
| 58 | No need. Your idea is a waste of money. | 3/8/2024 10:40 PM |
| 59 | This will eventually lead to a full paid position and not having volunteers. Why pay for the position when the volunteers do an amazing job | 3/8/2024 7:27 PM |
| 60 | The cost of a combined paid firefighting service would be extremely costly. The volunteers do a great job with limited funds to meet the current needs. A paid Fire Chief would do nothing but set up a dynasty that would be out of control. Look a PG County and other jusisdictions. | 3/8/2024 2:34 PM |

| 75 | The volunteer fire departments in this county do an excellent job responding to calls for service. There is no need for a county funded Fire Chief position. The coordination between the Emergency Services and volunteer fire departments is excellent. The current system is working well, volunteers take care of their equipment and their stations. There does not appear to be a need for changes. | 3/6/2024 1:49 PM |

| 82 | No need to change what we have. | 3/5/2024 6:11 PM |

| 84 | No changes to Fire and EMS....No new tax increases!!! | 3/5/2024 12:59 PM |
| 85 | I am saying yes, however this will cost the tax payers a ridiculous amount of money, so the quantity and pay of these positions will have to be carefully planned. | 3/5/2024 12:13 PM |
| 86 | If there is a paid fire chief for the county it will ruin the strong volunteer system which is currently in place. Look at our neighbors in pg and also king george to see how it ruined their once strong volunteer system | 3/5/2024 11:54 AM |
| 87 | Yes, provided the volunteers are still allowed to run calls even when staffed by paid personnel. Other jurisdictions have not allowed this. | 3/5/2024 11:10 AM |

| 101 | This too should be an all paid department. If you are going to have a fire truck, you should have the staff for it 24/7. Trained experts must be compensated and respected. We must respect the level of education required to do the job well and fund them accordingly. | 3/3/2024 11:43 PM |

| 110 | How does this question relate to switching to a Charter this decision should be done with citizen voting and district commissioner | 3/3/2024 6:12 PM |
| 111 | The current hybrid system for EMS is effective. Too often fire equipment in less populated areas of the county is unstaffed in volunteer stations. Our volunteers are amazing, but supplementing them with career firefighters is a good thing for public safety. In addition, a paid county fire chief could bring much needed coordination and standardization | 3/3/2024 4:42 PM |
| 112 | Why waste the money for a paid county fire chief when each department has it's own which are highly trained and familiar with their 1st due area. | 3/3/2024 4:10 PM |
| 113 | Yes the volunteers are dangerously unorganized and the response times are terrifying. 30 minutes for the first fire engine to show up and I used to donate. | 3/3/2024 3:52 PM |

| 117 | I think the noted services, particularly EMS and Fire & Rescue deserve increased and consistent funding and pay. The trucks, equipment need updating and it should be priority 1 considering they save the lives of Charles County residents everyday. You cannot ask or expect the best of your not proving the money and best resources for them to do their job whether it volunteer or paid. | 3/3/2024 1:29 PM |
| 118 | With the understanding that a full time system would be the ultimate goal for the county | 3/3/2024 1:14 PM |
| 119 | Its too much work to expect from an all volunteer force these days. Even if it just starts with a paid chief and some paid training coordinators/drivers. | 3/3/2024 1:12 PM |
| 120 | I don't see any reason to create another high employee cost if the current system is working. | 3/3/2024 1:03 PM |
| 121 | It's another thing for y'all to mess up | 3/3/2024 11:22 AM |
| 122 | Career staff are needed. They are dependable, reliable and better performing than any volunteer department. | 3/3/2024 11:22 AM |
| 123 | The fact this isn't a reality already is a travesty and marker that Charles County is FAR behind times. The citizens of Charles County deserve better! Volunteerism is dying Nation wide and we should have already been proactive in the adoption of a combination system | 3/3/2024 11:17 AM |
| 124 | Look at what happened in PG county with introduction of paid fire service. The volunteer system has just about died | 3/3/2024 10:13 AM |
| 125 | Please please please!!!! I fear for the safety of my family and property if I needed Fire services in Charles county. They consistently fail to respond, severely delayed or have staffing levels of 1-2 per apparatus. This is completely unacceptable for the amount of taxes that I pay!!! I pay \$5600/yr and for what, a park... they're great, but now it's time to actually get what we deserve for the amount we pay. I demand career service and a Fire Chief to hold accountable in this county!! | 3/3/2024 10:13 AM |
| 126 | There needs to be paid PROFESSIONAL Firefighters in Charles County! You have Fire Departments like Company 12 that get out driver only on calls and that is not only a disservice for the residents but a safety issue. Volunnteer Fire and EMS is dying and not being replenished at the rate they are losing members. | 3/3/2024 10:06 AM |
| 127 | It is inevitable and the County is already behind the 8 ball with this. If we don't start the process soon it will be a very hard lesson to learn and likely someone or multiple people will die in the process. The volunteer system is outdated, extremely volatile, and completely unreliable. For a service that is literally "life and death" there needs to be a guaranteed response. We don't have that. | 3/3/2024 9:45 AM |
| 128 | We need well trained and professional fire/ems. Having fire that is well trained, and units that are fully staffed 100% of the time is a necessity. The safety our families should not be left up to chance, we deserve someone to respond fast every time. | 3/3/2024 9:42 AM |
| 129 | Needed to ensure life safety for all. Even PG refused to stop aiding St 3 fire for a while because they are dangerous. | 3/3/2024 9:40 AM |
| 130 | This question is somewhat misleading as it implies that there is already a county funded chief for the current volunteer and paid EMS system. THIS is not the case. FOr clarity, I would NOT support a combined volunteer and paid fire service. I do NOT support a county funded Fire Chief position | 3/3/2024 6:44 AM |
| 131 | They do get a substantial tax break for their volunteer service. | 3/3/2024 6:20 AM |
| 132 | Charles County is growing, population and demographics is changing. When that happens you should allow for that growth. | 3/3/2024 2:22 AM |
| 133 | Many firefighters are older what is going to happen when they retire or die. Younger people cannot work for free. | 3/3/2024 12:04 AM |
| 134 | The volunteer system is at a decline however the EMS system isn't currently properly funded therefore a paid fire system won't be properly funded. I am against Charter Government. | 3/2/2024 9:41 PM |
| 135 | How much will this cost the taxpayers? | 3/2/2024 8:07 PM |

| 139 | I can barely afford to live in this county now. | 3/2/2024 5:08 PM |
| 140 | Just look at the news reports from PG County and see the potential issues this combined approach would bring does not bode well for this idea. If, in the future, there are gaps that the volunteer service cannot meet, then it might make sense to fill those gaps, similar to the EMS system, with professional support. However, I am opposed to adding more layers of bureaucracy to the existing system. | 3/2/2024 4:53 PM |
| 141 | Yes, the 14 independent fire companies need one person in charge to establish long range strategic plans, set policy, determine staffing needs and coordinate the location and amount of apparatus needed to deliver services. | 3/2/2024 2:40 PM |
| 142 | We need paid firefighters, the volunteers are not responding and other jurisdictions such as PG are coming into the county to supplement Charles county lack of staffing. | 3/2/2024 2:11 PM |
| 143 | In addition to a paid fire chief, accountability of the volunteers need to be implemented until they can be supplemented/replaced with career staffing. | 3/2/2024 1:54 PM |
| 144 | I think the current volunteer organization is doing an exceptable job for the most part. Some of the spending should be looked at closer and justified | 3/2/2024 1:43 PM |
| 145 | Look at Prince George's county, idiots. Keep driving us volunteers away and wanting paid crews. Not only will the QUALITY of public service go down, the charter government will too. | 3/2/2024 1:37 PM |
| 146 | We do not need a paid fire department. The volunteers are amazing. | 3/2/2024 1:32 PM |
| 147 | Want to hear what those currently running and working in the system think | 3/2/2024 1:08 PM |
| 148 | I am against the charter altogether!! | 3/2/2024 12:26 PM |
| 149 | I think this should be determined by the firefighters we currently have, not by any Joe Shmo off the street | 3/2/2024 12:13 PM |
| 150 | Until they have trouble getting fire trucks out to calls I am just fine with volunteer fire service. What most don't realize is these volunteers are career officers on other departments and have great knowledge. | 3/2/2024 11:44 AM |
| 151 | Same as my previous answer. I think we need to a fire department with full-time paid staff members. We can supplement with volunteers, as a reserve staff, but not base the fire department and services provided on those volunteers. Create and fund a Fire Department. | 3/2/2024 11:29 AM |
| 152 | Do we have a paid rescue chief? We have been supplementing rescue with paid support for years. If we don't already have a paid rescue chief I see no reason why we should have a paid fire chief. We don't need EMS personnel fighting on scene like what happens in PG County due to the battle for control, recognition and funding. That's a charter FAIL | 3/2/2024 11:22 AM |
| 153 | We should vote on charter after this cycle where we vote in our districts | 3/2/2024 9:37 AM |
| 154 | The Charles County Volunteer Firemen's Association (CCVFA) should remain the governing body over all fire fighting services in Charles County. Meaning the CCVFA needs to be funded with a budget allowing the CCVFA to make decisions on when & where to start paying our volunteers for providing fire fighting services throughout Charles County. To include any Officer positions that should become paid in the future. Not a Charter Board or any other form of government. | 3/2/2024 6:30 AM |
| 155 | No, because the back door deals are already in play for who's getting the position. If said individual is selected Charles County will turn into the dumpster fire like Prince George's County Fire and EMS. | 3/1/2024 5:22 PM |
| 156 | That would be a huge tax increase | 3/1/2024 3:47 PM |
| 157 | No to paid Fire! | 3/1/2024 2:16 PM |

| 4 | I don't support a combination fire service. All or nothing. The draft Charter as of 4/2/24 lists the fire service/sheriff's department as not being changed from their current status. Why does this survey ask only about changing their status??? Most believe if we vote for the Charter, the new County Executive will change their status anyway. Is that true? | 12 | This should have been figured out before approving all of this building. I'm not paying for it now. Tough shit. Figure out how to pay for it with what resources you have. You don't go finance a new car, get it home, then try and figure out how to pay for it.... | 4/9/2024 8:53 PM |

| 66 | That is such an odd question to ask. Who wants there taxes to increase? Who wants to pay additional fees? No matter what residents say or think. At the end of the day, the only thing that matters is, if we pay our taxes or our fees that will be assessed on us, because of the need for some to have HAVE POWER! | 3/12/2024 1:23 PM |
| 67 | Restructure the distribution of fire tax money by requiring all volunteer companies to submit budget request like other agencies. County Career EMS funding currently is almost \$18 million for just 143 people. They do not pay for buildings, insurance, supplies, electric, water and other monthly costs. | 194 | In addition to the school excise tax, that's put on new construction. It would be incredibly helpful if the county included a public safety increase fee for all of the new homes that are coming into the county since All of those new homes are drastically, impacting our current resources, ability to do anything and successfully serve the county. The increase in revenue from that should help offset the cost of at least the set up for needed emergency services. | 3/3/2024 7:45 PM |

| 254 | Increased taxes for new homes and retail spaces that are currently being built. Like it was done with the school tax on new construction homes | 3/2/2024 3:06 PM |
| 255 | It is my belief that the fire tax has not been raised since the 80's. I would split this cost with the remaining half be funded by reduction of the haz mat team and emergency preparedness. Maybe go back to having the positions funded partially by fema. The haz mat team in my opinion is a waste of many dollars when I believe it is ok to have 1 person take care of the scene mitigation but we should at this time rely on mutual aide agreements from full teams all over the metropolitan area. Most fire departments in the county to count for adequate staffing means they all have at a min of haz mat awareness and operations. That means the immediate threat can be identified, secede can me secure and deny entry until. A proper team and contractors for clean up arrive. FEMA grants could supplement a temporary cost as well Finally take from the sheriffs department on the speed cameras and use 25% of the income to support the funding for fire department career staffing. I would say on both side of the fire stations across the county install a camera and that too can be used to supplement the cost. | 3/2/2024 2:58 PM |
| 256 | Funding should be controlled by the county and distributed as needed by call volume per station. No more of these Taj Mahal stations that can't even man apparatus. Update the older stations, especially the busier stations with modern buildings and amenities. | 3/2/2024 2:52 PM |

Some of the stations in the southern part of the county have way too many pieces of apparatus and they spend too much money on things they don't need. Waldorf and LaPlata are the busiest areas and should get more yearly funding than any other stations because if you run the stats they run alot of calls monthly compared to a handful a month down south.

| 38 | Let us be very clear/ This handpicked charter board was formed as a major power grab for corrupt sitting elected officials. They selected their friends and people they are extremely familiar with. The moment this was announced and the charter chair commented in support... many knew he would be selected to this board. He knew it also. The selection process was biased. The appearance of Improprieties were there and are there now. It is not a good look at all!!! It was also formed to lay the foundation, to make Waldorf a Municipality! This is why the conversations were started from the very beginning. Several that support charter has mentioned this a few times. Pay attention. I can guarantee you those that are supporting charter noun are going to lose their minds once their taxes start going up and they will go up!! Where will the staff be housed? Where good evening good is the money going to come from to support a new office building for the town of Waldorf? Police department? | 3/12/2024 1:23 PM |
| 39 | No...current fire Tax that goes to volunteers is sufficient to purchase and maintain existing stations, trucks, and equipment, but it is not sufficient for new stations in the future or replacement of older existing stations. Although the Fire Tax rate has not increased, the amount of money collects has gone up significantly due to number of buildings being built and the increase in property values. Also, Ch. 54 needs to be changed to require budget request from each volunteer company. The current formula driven distribution system that does not require budgets is 60 years old and out dated. It simply is a formula of how to divide whatever Fire Tax money that is collected between the volunteer companies. Using this method, some companies get too much and some get too little money based of the level of emergencies they respond to. This does not require Charter Government! | 3/12/2024 9:59 AM |
| 40 | In order to own/buy a home, an individual must carry home owners insurance to cover the cost/loss of property. So why would additional funds be needed; especially given the fact that the county has increased the number of homes in the county and most are townhouses. | 3/11/2024 5:30 PM |
| 41 | It does not matter if we support a tax increase or not. | 3/11/2024 4:27 PM |

| 43 | Stop giving the volunteers money when they are no longer able to give back to their communities by properly staffing their units. | 3/10/2024 8:31 PM |
| 44 | I have no problem supporting our local fire departments. But I have a problem with supporting their need to buy new apparatus with flashy chrome and looks. When new apparatus is procured it should be based on the needs and not the look. A lot of these fire departments buy for the new fireman's parade. Extra chrome does not fight a fire. Or driving the truck to ocean city for a fireman's parade. The wasted gas... make sure funds are staying at the fire house and utilized for the areas it serves. | 3/10/2024 12:40 PM |
| 45 | I would consider an increase in taxes with more information on the amount of the increase and the exact language around the dissemination of funds. | 3/10/2024 10:29 AM |
| 46 | but accountability for the tax dollars spent. If they were staffed 100% of the time give them 100% of the money that they are due. If they only are providing 50% coverage cut the funding in half. maybe then they will step up and cover more time if not then those funds can go to staffing. Also, i hope to see no more multi million dollar fire houses built with tax dollars. Where is the ROI on such extravagant purchases. \$50,000 bay doors at station 11 is a waste of money just for looks! | 3/10/2024 8:45 AM |

| 60 | Absolutely not no new taxes Voting no to charter | 3/7/2024 7:34 PM |
| 61 | Will not support | 3/7/2024 7:15 PM |
| 62 | Adjust current budget. It's a spending problem | 3/7/2024 4:00 PM |
| 63 | Charles county taxpayers have enough to pay. There have been volunteer since the beginning of time, why is there a need for paid firefighters? | 3/7/2024 3:38 PM |
| 64 | There are plenty of areas in our government that are wasting taxpayers money. I advise you to look within your own budget cut what is not needed decrease paid officials salaries, and be accountable to the taxpayers of what you already collect before you ask for any more money. | 3/7/2024 2:58 PM |
| 65 | We should be supporting the volunteers | 3/7/2024 2:54 PM |
| 66 | We pay enough taxes - find other sources to support this | 3/7/2024 2:46 PM |
| 67 | We can barely pay our bills now. | 3/7/2024 2:37 PM |
| 68 | Charles County has the highest property tax in the state already | 3/7/2024 2:28 PM |
| 69 | Again tired of the increases. Nobody is going to be able to afford this county | 3/7/2024 1:30 PM |
| 70 | This county is getting impossible to be able to live in. | 3/7/2024 1:08 PM |
| 71 | Only if they stayed all volunteer | 3/7/2024 1:06 PM |
| 72 | See answer to # 6. Homes are currently over valued because of inflation and the taxes are high enough. I do not support any new tax increases. | 3/6/2024 1:49 PM |
| 73 | Spend that money on paid employees, more jobs, better structure and unified response and operating procedures. | 3/6/2024 12:14 PM |
| 74 | Property taxes are already ridiculously high. Again, reallocate current tax revenue. | 3/6/2024 10:53 AM |
| 75 | Move money from other entities that aren't as important or benefit all of the citizens of Charles county. | 3/6/2024 10:18 AM |
| 76 | Tax has not increased for over 20 years | 3/6/2024 9:15 AM |
| 77 | There needs to be tighter control of the existing funds. There have been irresponsible decisions made through politics and the good ole boy system. There needs to be a standard of cover analysis done and resources need to be moved accordingly. | 3/5/2024 10:44 PM |
| 78 | A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county. | 3/5/2024 7:52 PM |
| 79 | See above | 3/5/2024 7:44 PM |

| 80 | As long as it wasn't a lot more than \$266 annually, our Property Taxes are already too much. | 3/5/2024 7:08 PM |
| 81 | Embezzlement | 3/5/2024 6:25 PM |
| 82 | Do not raise taxes | 3/5/2024 5:20 PM |
| 83 | No matter what this survey results are, we already know the county won't listen. This is a waste of time. | 3/5/2024 4:15 PM |
| 84 | Where you finding a house in Charles County for \$415K that isn't a dump? | 3/5/2024 4:05 PM |
| 85 | Within reason. | 3/5/2024 2:59 PM |
| 86 | Only to fund the volunteers to help with the cost of inflation. | 3/5/2024 1:41 PM |
| 87 | We have a large influx of people living here with new communities being built at every turn which will generate no shortage of volunteers. | 3/5/2024 1:19 PM |
| 88 | The firehouses look like mansions now. | 3/5/2024 12:40 PM |
| 89 | Other county service budgets need to be reassessed and redistributed. The tax payers of Charles County are already over taxed. And with the growth of the county, there should be plenty of monies being collected to fund this. | 3/5/2024 12:04 PM |
| 90 | I would not support any tax increase, I would support a reallocation of county funding and major oversight of what is being spent and how it is being spent. | 3/5/2024 10:50 AM |
| 91 | The citizens of Charles pay enough taxes as is. | 3/5/2024 10:48 AM |
| 92 | Leave things as they are | 3/5/2024 10:46 AM |
| 93 | Why fix something that is not broken. Has there ever been a time that fire and medical service has not been provided | 3/5/2024 10:42 AM |
| 94 | Only if the money goes to volunteer organizations. | 3/5/2024 9:21 AM |
| 95 | We need to assist with funding these needed departments. Inflation has raised the cost of apparatus and training. | 3/4/2024 8:27 PM |
| 96 | Apparatus costs have sky rocketed and you have done nothing to support volunteers. | 3/4/2024 5:13 PM |
| 97 | .08 per 100 | 3/4/2024 4:05 PM |
| 98 | To support the volunteers only | 3/4/2024 1:12 PM |
| 99 | As well as ensuring they receive 100% of their budget | 3/4/2024 11:45 AM |
| 100 | This is a joke of a survey anyone can fill it out. They don't have to live in Charles to have an opinion. They could literally live in Europe and fill this out if they get the link. | 3/4/2024 10:29 AM |
| 101 | Yes, IF the fire and EMS staff are 100% paid and held to professional standards. | 3/4/2024 10:18 AM |
| 102 | ABSOLUTELY NOT | 3/4/2024 8:44 AM |
| 103 | We are seniors and fell we have already gone beyond our means. | 3/4/2024 8:10 AM |
| 104 | No Charter! | 3/3/2024 10:01 PM |
| 105 | If a strong business case is rendered to support long term sustainability | 3/3/2024 9:22 PM |
| 106 | The current Commissioners will use the money for their personal projects | 3/3/2024 8:37 PM |
| 107 | Absolutely not | 3/3/2024 8:21 PM |
| 108 | We are already taxed excessively. | 3/3/2024 7:45 PM |
| 109 | I support our current form of government especially when the commissioner is elected only by members of their district | 3/3/2024 6:12 PM |
| 110 | Reasonable | 3/3/2024 4:57 PM |
| 111 | I am happy topay additional property tax, so long as the money ACTUALLY goes to the volunteer service. | 3/3/2024 3:51 PM |

|-----|---|-------------------|
| 112 | Our taxes are already horrible. It should be taken from other departments. | 3/3/2024 3:46 PM |
| 113 | Build more houses, get more tax money. No need to increase F&R tax. | 3/3/2024 2:38 PM |
| 114 | I think you could find less into the volunteer stations and fund more into getting paid personnel. If the volunteers are not riding the apparatus they should not receive the money. | 3/3/2024 2:13 PM |
| 115 | I would expect the County Government to evaluate current appropriations and determine the best way to move forward. | 3/3/2024 1:42 PM |
| 116 | Don't take my money because you are broke. | 3/3/2024 1:30 PM |
| 117 | Don't neighboring counties of similar size supplement those systems with much higher fire EMS taxes? | 3/3/2024 1:14 PM |
| 118 | Reasonable tax increases. But also proportionately decrease the amount of money given to volunteer agencies. | 3/3/2024 11:22 AM |
| 119 | Take the money from the volunteer budget | 3/3/2024 10:54 AM |
| 120 | It should be increased, but the funds should go to paid staffing. | 3/3/2024 10:43 AM |
| 121 | We are already taxed to death find another way! | 3/3/2024 10:43 AM |
| 122 | If I can afford a 1/2 million dollar house. I'm sure I can scrape up \$300 | 3/3/2024 10:32 AM |
| 123 | Less money to VFD and more to EMS. Most fire service related calls are EMS based. Also use funding increase to pay for fringe benefits to volunteers. | 3/3/2024 10:13 AM |
| 124 | Unless this funding was to go to career service. The increase in funding to volunteers would be pointless as they have accounts already with PLENTY of money in them and they CANNOT provide any additional services for the increase. They already cannot support the system with the staffing they have now, why would you give them more money to spend freely without consequences. | 3/3/2024 10:13 AM |
| 125 | I would support an increase to allow a paid combination fire department. | 3/3/2024 10:06 AM |
| 126 | I would support this if the funding went towards career staffing. | 3/3/2024 9:45 AM |
| 127 | Only if this is used for PAID fire/EMS. Multimillion dollar fire stations filled with millions of dollars in apparatus that is not 100% staffed needs to end. | 3/3/2024 9:42 AM |
| 128 | They should not get money for calls responded understaffed and should be held more accountable for their wasteful spending. | 3/3/2024 9:40 AM |
| 129 | This I would support because it goes to directly to fire service that already is in place | 3/3/2024 9:05 AM |
| 130 | that is always your answer raise a tax. Stop... We are over taxed right now and taxes should be cut!!!! | 3/3/2024 8:09 AM |
| 131 | Before we start having increases in taxes for Fire and Rescue, we need a new hospital. Why pay for more Fire and Rescue folks to rush us to a hospital and still wait for 6- 8 hours?? | 3/3/2024 12:29 AM |
| 132 | The volunteers in this county do not get the funding they need. It amazes me how counties like Calvert and st Mary's can afford so much more for the volunteer fire departments but it's like Charles county does not care | 3/2/2024 8:27 PM |
| 133 | I would to see all fire departments as paid. I think it would raise the level of accountability | 3/2/2024 7:38 PM |
| 134 | No to charter government | 3/2/2024 7:08 PM |
| 135 | No increase until an independent review of the current funding is reviewed. | 3/2/2024 7:02 PM |
| 136 | Vote No to charter | 3/2/2024 6:23 PM |
| 137 | Marginally, relative to services provided. Taxes are already ridiculous relative to minimal and inadequate services. | 3/2/2024 6:14 PM |
| 138 | For the county we already pay too much taxes | 3/2/2024 5:58 PM |
| 139 | Unsure | 3/2/2024 5:57 PM |
| 140 | I annoy afford to spend more money on this as well as everything else that is going up. | 3/2/2024 5:08 PM |

|-----|---|-------------------|
| 141 | I'm sure you all will find a bureaucrat to funnel those funds through who will require a 6-figure income and then cry about how they need the county to raise taxes again. Not a fan. | 3/2/2024 4:53 PM |
| 142 | Yes only for the volunteers. | 3/2/2024 4:29 PM |
| 143 | These funds need to go to the government department of emergency services for their personnel and equipment. Volunteer Stations are becoming a thing of the past and should not be receiving this money. | 3/2/2024 2:52 PM |
| 144 | The current funds distribution system is outdated and needs to be replaced with a budget for each company. Currently some companies get too much money and others not enough. They use a distribution formula rather than true budgeting. Each of these companies represent multi million dollar incorporated not for profit businesses. | 3/2/2024 2:40 PM |
| 145 | Absolutely not! Our taxes are already too much | 3/2/2024 2:11 PM |
| 146 | Charles County already pays enough in property taxes, only to have it used on County Commissioners attorneys fees. | 3/2/2024 2:01 PM |
| 147 | Volunteers need to have a higher property tax write off without a max AGI like Calvert County has. | 3/2/2024 1:55 PM |
| 148 | Volunteer fire departments in the area spend money frivolously on fire apparatus that is not needed, volunteer banquets (10s of thousands of dollars) and programs that are over funded. | 3/2/2024 1:54 PM |
| 149 | I believe there is a need to assess spending and distribution before increasing tax | 3/2/2024 1:43 PM |
| 150 | Only if it stays as 100% volunteer service. I do not support a paid fire service | 3/2/2024 1:41 PM |
| 151 | Support the busier companies by giving them the money the slower companies get. ITS THE SAME AMOUNT! | 3/2/2024 1:37 PM |
| 152 | I'd love to give more money to my volunteer department. Not a paid department. | 3/2/2024 1:32 PM |
| 153 | It depends | 3/2/2024 1:08 PM |
| 154 | Stations that are on double dispatch (due to failed responses for service) they should be required to either forfeit funding from the county or pay a fine to the county for every failed or understaffed response. Stations that do not regularly respond to calls should be shut down or turned over to the county. | 3/2/2024 12:56 PM |
| 155 | I am against the charter altogether!! | 3/2/2024 12:26 PM |
| 156 | This County OVER TAXES its Citizens TOO much! aka: the new property assessments. The "leaders" who make these decisions are out of control & putting hardship on hard working, tax paying citizens. Lastly, these "leaders" & boards, counsils, committees mis-allocates the already received taxes to frivolous entities- aka: the legal fees of Commissioners who do FOUNDED wrongs against the citizens & employees of Charles County. Each & every "leader", department head, &/or authority in Charles County needs to reassess their spending of each & every dollar of tax money they request &/or granted with a prudent & conservative eye. The citizens of Charles County KNOW this doesn't happen, & they're sick & tired of it. | 3/2/2024 11:37 AM |
| 157 | I would also support allowing EMS to have more fundraising opportunities. What happened to the Turkey Shoots? | 3/2/2024 11:22 AM |
| 158 | The volunteers are not adequately funded and need a revenue increase. | 3/2/2024 11:05 AM |
| 159 | Increase to support the system in place | 3/2/2024 10:57 AM |
| 160 | As above raise fines and tax Mj in charles county | 3/2/2024 9:37 AM |
| 161 | Maybe | 3/2/2024 8:38 AM |
| 162 | Fund the current Volunteer Fire budget at 100% and stop reducing the budget to approximately 80% which has been down every year since the 1980s. | 3/2/2024 6:30 AM |
| 163 | Increase in tax only to benefit volunteers- not to increase paid fire positions | 3/1/2024 5:38 PM |
| 164 | Yes if goes to volunteers only. | 3/1/2024 3:38 PM |
| 165 | If it goes to the volunteers than yes. If not, politicians can go pound sand. | 3/1/2024 1:22 PM |

| 1 | We don't need a charter. We need commissioners to do thier jobs without prejudice... stop with the games, bullying, cover ups pocket lining bull. | 4/11/2024 1:18 PM |
| 2 | I don't support charter government or the higher taxes that charter government will bring to this county. It does not work in PG county, it will not work in Charles County. | 4/11/2024 6:13 AM |

| 6 | 1. Prudently reevaluate & scrutunize the current allocation of tax payor monies across the board BEFORE considering implementing another increase of fees upon the citizens. 2. Eliminate ANY & ALL excess & unnecessary spending & funding across the board. 3. Once this has been thoroughly accomplished to the Charles County Citizens satisfaction - do it again. And only then should any consideration for additional fees/funding be considered & brought to & before the Charles County Citizens. 4. Due to years & years of building countless new homes & communities in Charles County, with never a thought to increase the number fire stations & promoting new trained firefighters, police stations & police officers, schools ... this is where poor judgment & leadership ultimately lead us - these needs as an afterthought & now approaching the Citizens of Charles County with possible (probable) additional fees. Shameful. | 4/10/2024 5:11 PM |

| 60 | County Govnment is responsible for public safety but currently takes no role in determining what is adequate protection. County Government needs to establish performance expectations (i.e. - staffing, response times, exceptable level of missed calls, etc.) for both fire and EMS service and then create reasonable and measurable metrics to determine if the expectations are being met. Also, establish a strategic plan that outlines trigger points and what actions will be taken in order to meet the established performance criteria. | 3/16/2024 3:09 PM |

As someone who has lived here all my life and did not think I would ever leave, and as a retiree Charter Government would seriously make me consider moving from Maryland because it will be too expensive to live here. | 3/12/2024 3:06 PM |
| 75 | increase funding and provide tax credits with no income restrictions of the \$2500.00 dollars that is on the books that our commissioners cut to \$500.00 with restrictions | 3/12/2024 2:11 PM |

| 78 | From what I have seen on the questions provided in this survey, it appears that all the Charter Board is doing is looking for more ways to get money from the residents of this county. Not one thing in this survey has shown what the "Charter Board" is going to to to assist the people of this county. | 3/11/2024 5:30 PM |

| 79 | We all understand why the Charter Board was created. The foundation is being laid to make Waldorf a Municipality. All those supporting this effort will have a change in their tune when taxes begin to rise and taxes will rise. How else will the town of Waldorf exist? Who will pay for the building to house the local government? Police force? | 3/11/2024 4:27 PM |

| 85 | There is money through county and State that never gets prioritized..extra in the kitty**.let say by an individual that passes away with no family..that money and or property goes where?? It should ultimately go to things such as Volunteer Fire dept. Why should State get it..and we never no where it goes. | 3/9/2024 5:57 PM |
| 86 | Leave EMS alone. | 3/9/2024 5:32 PM |
| 87 | The volunteer system is also a great resource for the youth of our community, and could be expanded and provided a great avenue to keep our youth on the right path. A small amount of paid firefighters would be needed and placed as a central location in our county. These personnel would be the trained in the Hazmat and other specific felids within the fire service to ensure these advanced skills are meet. Creating a large scale paid system is not necessary nor is desirable to raise the county tax any higher then they all already are! | 3/9/2024 2:00 PM |
| 88 | How you going to pay for fire service.... It takes millions up to billions of dollars to start one... where's the money coming from... volunteer services has saved the county millions of dollars... I'm good with it... 100%.. | 3/9/2024 1:57 PM |

| 122 | Paid fire personnel should be focused in areas of specialized training I.e Hazardous Materials, confined space rescue etc. with being stationed in a central location in the county. The paid fire personnel would assist the well established volunteer system currently in place as needed on calls for service, and create a 24 hour buffer for emergency personnel. | 186 | There needs to be a study on mutual aid services provided to St. Mary's County and the financial burden it places on the Charles County emergency services system. Are our Charles County taxpayers funding their failed system? The next thing that needs to be considered is a reduced cost tuition to the University of Maryland to obtain a college degree for volunteers. The current system for volunteers and career personnel offers substandard incentives compared to other states and even other counties within Maryland. This results in those who have obtained training in Charles County to seek out other opportunities. The last thing that needs to be addressed is those who abuse the 911 system. Other jurisdictions put together action teams involving law enforcement and social services to address situations where 911 is being abused and it results in numerous ambulance calls to the same residence or facility. This is often a negligence situation that requires the intervention of social services and law enforcement. While the initial answer for the board may be to expand or change the services provided, the issues that plague the system need to be addressed. The last thing that needs to be addressed is failing fire departments. When bad leadership runs all of the volunteers out, the bad leadership needs to be removed. There needs to be outside oversight over failing fire & EMS department. Toxic leadership causes our military, law enforcement, and fire & ems departments to fail. This results in tax dollars needlessly being spent to recruit, retrain, and retain replacing those who've left failing organizations. Perhaps the board should consider surveys similar to this to identity broken institutions so that a correction can be made. | 3/5/2024 9:21 AM |

| 205 | Stop frivolous spending such as flyers, surveys, and wasteful spending by commissioners and put the money taken in to use with the volunteer for service. | 3/3/2024 11:17 PM |

Each new neighborhood being built like on the parkway should be responsible for paying for a new schools and a fire house within so many feet of every new neighborhood. Or don't build them. When I first built my house I had to pay a \$10,000 tax for the schools. This should be implemented to all new homeowners Billing and Charles County for a nee fire/ems firehouses. | 224 | Why are you being selfish about kick starting this when we have increase in calls?! You'd rather be frugal because you see the volunteer system thriving? Wrong. WRONG. It's not. Do you know what a volunteer is?! How hard it is at times to put in the hours to fully staff the apparatus that are in house?! How much it sucks seeing PG county responding to Charles county because we can't fulfill the needs of our citizens? Or how a traumatic or medical call which can be LIFE OR DEATH be delayed because of lack of resources?? That is idiotic. | 3/3/2024 5:45 PM |

| 229 | You need to pay attention to minimum staffing levels in 911 and Police Communications. Currently minimum staffing for Police Communications is 3. That means one dispatcher for each channel, and a supervisor. That current call volume is about 700 to 1000 calls in 24 hours. The supervisor is left to answer phones, run tags and names, call tow trucks and more with minimum staffing at 3. This leaves no room for actual supervising. 4 would be better, 5 would be ideal. Commissioners have visited but it is not explained that there are 2 separate entities working in Communications. You need to understand how it really works. | 3/3/2024 3:51 PM |
| 230 | A career fire service is the way to go. The volunteer departments have long gone without oversight and they are against real change. Please allocate resources to a career fire station in order to see real change. | 3/3/2024 3:50 PM |

In past years dedicated individuals and young adults had the time to devote to maintaining a job, raising a family all while still living a comfortable life both time and finance wise working an average job. In todays society and economy the lack of interest as well as time has created a void in the quantitative (volume to staffing) and qualitative (quality to staffing) data of emergency calls being answered efficiently. As a resident I currently see mutual resources being utilized as the front line response to many county emergencies which prompts the question are our resources sufficient and where is the service supported by my tax dollars? | 3/3/2024 12:38 PM |
| 240 | Give DES access and control of the Fire and EMS tax because the respond to 98% of the ALS and over 80% of the BLS calls per year | 3/3/2024 12:33 PM |

| 251 | Charles county is a growing community. While volunteers have served the county well, nationally, volunteer recruitment is getting harder and harder. Our residents would be best served by a countywide staffed agency (staffed by a combination of volunteer and career members), able to plan for the future needs of the county. Big picture, long term, this may include relocating or building additional stations, coordinating purchase of specialty resources (ladder trucks, heavy rescue, other services), and supporting a growing county. | 3/3/2024 10:59 AM |

| 261 | Truly take a look at the services that are provided within the county. The Public Safety service for Fire Suppression that I receive in this county as a tax paying citizen are disgusting! We the people demand that stations with no or low (percentage) be turned over to the county so that we can have a career service like Prince George's County does. | 3/3/2024 10:13 AM |
| 262 | Quit acting like Charles county doesn't already have money. Use it on public safety and stop putting it towards useless programs | 3/3/2024 10:07 AM |
| 263 | Help volunteers with child care and consider some sort of stipend for their time. Time they contribute is second to their full time job and to their families. Make it worth their while. | 3/3/2024 10:06 AM |
| 264 | A fire chief thay reports to DES would be a good start. The Vol Stations should be accountable to the Fire Chief, Director of DES, Co Admin, and ultimately the County Commissioners. We don't need full career right now, but we need to be prepared for the future by aligning the oversight of the fire service now and in coordination with current volunteer leadership. | 3/3/2024 9:51 AM |
| 265 | NO NO and NO to paid fire and a paid county chief | 3/3/2024 9:45 AM |
| 266 | The safety and security of Charles County citizens should be paramount. The volunteer fire/ems service is not able to provide the service anymore. Combination volunteer/paid for both fire and EMS. I would suggest a Monday-Friday staff for fire departments to allow the volunteer system to still exist while providing staffing during times where there is not any at the volunteer stations. | 3/3/2024 9:42 AM |
| 267 | Properly fund our under supported volunteer system. The current funding for new apparatus and operating budget is so outdated and underfunded that it leaves volunteer companies to struggle to keep up with surviving financially. As for staffing departments; Look at Calvert County they offer massive benefits to their volunteers to support their staffing to include, massive property tax breaks and assistance with childcare for volunteers which cause huge staffing benefits. This whole process hasn't been viewed at from what have been the flaws from the county causing volunteer stations to struggle. Also remember to ask yourself why is spending more money on an already struggling paid DES staffing. Struggling so bad that they allowed temporary employees to lighten the load of the beat down they were receiving and you want to make it worse by expanding the paid system?..... There has been little support from the county for the volunteers and that needs to change. | 3/3/2024 9:42 AM |
| 268 | Get real numbers on responses, not padded or inflated numbers. Listen to calls to hear how many times they are understaffed. | 3/3/2024 9:40 AM |
| 269 | Eliminate volunteer funding, direct it to paid services so there's some kind of accountability. | 3/3/2024 9:29 AM |
| 270 | No | 3/3/2024 9:17 AM |
| 271 | Complete a study to determine how best to meet NFPA standards in regards to response times. Staff units to ensure compliance and readiness to serve citizens. All citizens reserve the right to fair and equal access to emergency services given their current equal payments for taxes. Adjust mutual aid agreements as needed after staffing is adjusted. Create a competitive and effective workforce with training for any potential paid fire services. | 3/3/2024 9:11 AM |
| 272 | I think just a small increase to the fire tax would be enough. | 3/3/2024 9:05 AM |

Q8 In counties that have both a police department (appointed by and reports to the elected county executive and confirmed by the elected county council) and a sheriff’s office (independently elected), the police department is responsible for law enforcement while the Sheriff’s Office is responsible for court duties, civil process, and detention. Would you support the addition of a police department to Charles County Government?

| 2 | I moved from a county in which there was separate police department that reported to a county executive and I found the county to be overpoliced with ineffective results. The police department rarely solved crimes and policing seemed to be just performative for politics sake so that the county executive can get reelected. This is unlike the sheriff's department in Charles County. Crime is low here and serious crimes like murders are actually solved within a short time period compared to other counties. | 4/11/2024 2:01 PM |

| 9 | I don't have enough information to answer. | 4/10/2024 8:40 AM |
| 10 | The current structure of our law enforcement system does a phenomenal job providing their services. Adding another agency would only increase taxes and fracture coordination and communication in this area. This would just be an added cost. And we don't need a law enforcement leader reporting to politicians—especially ones who've proven they break the law and HR policies with their discriminatory practices. Do NOT try to implement an additional police department. | 4/10/2024 8:12 AM |

| 19 | They do a fine job at this time. But the sheriff office and officer also need more money and incentives | 3/23/2024 6:11 PM |
| 20 | It all works so no charter | 3/23/2024 5:51 PM |
| 21 | ABSOLUTELY NOT. This is completely unnecessary. The LAST thing this county needs is for the elected officials to hand pick the head of law enforcement for the County. That makes the police chief beholden to the Council, and not the People. It removes the voters ability to have a direct say in their police leadership. A lot of added cost (the hiring process alone will cost a FORTUNE, not to mention the cost of doubling the administration). I like the checks and balances we enjoy now. | 3/22/2024 8:57 PM |
| 22 | The current system works well due to the fact that the Sheriff is elected by and answers to the citizens. If a police department and an appointed police chief were to be added that chief would only answer to the county executive and not the people. This county government proves every day that they are corrupt and should not be trusted with such an important duty. Leave well enough alone. | 3/22/2024 8:47 PM |
| 23 | No police department | 3/21/2024 10:55 PM |
| 24 | Since the county continues to grow, we need a new body of people to oversee the functions of the police department and provide a more visible police community. More policing is needed for aggressive and reckless driving along with an increase in illegal driving habits. People are running red lights, failing to stop at stop signs, failing to stop on red before turning right and passing cars on the shoulder in addition to passing on solid yellow lines. Racing motorcycles and cars on residential streets and roads. We have popup gun shooting ranges in neighborhoods and uncontrolled loud vibrating music at outdoor venues and vibrating loud music in cars passing by. WE need more policing. | 3/19/2024 11:48 PM |

| 49 | How will this be funded? | 3/12/2024 1:24 PM |
| 50 | There is no articulable reason for a new police department in Charles County. Doing so is a mismanagement of tax funds that are already stretched thin. | 3/12/2024 11:57 AM |
| 51 | NO NEED! SHERIFF is sufficient. | 3/12/2024 11:42 AM |
| 52 | There's no reason to have a police department in this county at this time. Realistically, almost all of the personnel for a county police department would come from CCSO - which renders making the change effectively pointless. Charles County is not big enough to require a separate Sheriff's Office and Police Department, and we're already struggling to get enough officers in the first place. Before complicating things by introducing another agency to the county, we need to solve staffing issues with what we already have. | 3/12/2024 10:31 AM |

| 64 | We are just fine with the more than capable law enforcement that we have. If we can get bond commissioners and judges to hold those arrested instead of catch and release, there would be less repeat offenders. | 3/9/2024 10:28 AM |
| 65 | CCSO is one of the best in the state and the Country. Why mess up a good thing? I'm sure Collins has a buddy he wants to appoint, but he needs to keep looking. | 3/8/2024 10:42 PM |
| 66 | I don't want my government to be in control of the police department. I want to elect the police chief aka the sheriff. Stop trying to turn us into PG county | 3/8/2024 7:54 PM |
| 67 | Horrible idea. Look at Prince George's County who has both, would you say they are doing great? No, me either. Why in the world would you want to model something like that and risk failure when our Sheriff's Office is doing great and is incredible. So you can have control?? | 3/8/2024 7:30 PM |
| 68 | additional departments would not benefit the community. The Sheriff's Office is currently providing the services we need without additional unnecessary bureaucracy further adding costs to the tax payers of the county while providing the same services. The system we have is not broken and does not need to be changed. | 3/8/2024 7:10 PM |
| 69 | The Charles County Sheriff's Office is a fully functional police agency that handles all police functions to include court duties, civil process and detention. If it is not broken, don't try to fix it. | 3/8/2024 5:51 PM |
| 70 | The Sheriff does an outstanding job! | 3/8/2024 11:28 AM |
| 71 | The extremely high cost of starting a seperate police dept would be an unfair burden to the citizens. The sheriff's office does an outstanding job protecting the citizens. Additionally, the county is currently unable to hire and fund the sheriff's office so they can be fully staffed. We are not even keeping up with attrition. I do not see how the county would be able to support the sheriff's office and a seperate police department. The county govt should focus on supporting and funding the sheriff's office so they can reach full staffing. | 3/8/2024 8:24 AM |
| 72 | However, would this mean an increase in our taxes? | 3/8/2024 5:57 AM |

| 86 | Leave it ALONE | 3/7/2024 2:55 PM |
| 87 | No need for another police department. Fund the one we have properly. | 3/7/2024 2:47 PM |
| 88 | Why break up the sheriff's office when they actually are doing a great job. | 3/7/2024 1:31 PM |
| 89 | I believe that the system that is in place is great. | 3/7/2024 1:00 PM |
| 90 | A police department is just another way for the County Commissioners to gain control. The Sheriff's Office does an excellent job as is and is underappreciated in this county. If you go to a police department, you will 100% lose many of the great police officers currently employed by the Charles County Sheriff's Office. | 3/7/2024 12:56 PM |
| 91 | The current law enforcement system in place in our county is excellent. There is no reason to create another redundant system. If anything the county needs to plan increasing the Sheriff's Office size to match the growth of the county's population. Money used to fund a "police department" could be spent on matters such as overcrowded schools/ shortage of qualified teachers, the fact our county only has one hospital that is overcrowded, the increasing homeless population in our county / lack of mental health services Obviously the only logical reason to take on this extremely expensive task and dismantle an effective law enforcement agency is to take away the public's ability to choose its head law enforcement figure and give that power to a county executive. | 3/7/2024 10:27 AM |
| 92 | The current Sheriff's Office does a great job already. We do not need a Charter Board. | 3/7/2024 9:58 AM |
| 93 | We already have both, the Sheriffs Police. This system is working just fine. There is no need for double duty. Our county cannot support both. | 3/7/2024 9:29 AM |
| 94 | Say no to the charter board. | 3/7/2024 7:35 AM |
| 95 | Charles County does NOT need a police department! The Charles County Sheriff's Office is the best in the state of Maryland! I do NOT support a police department! | 3/7/2024 7:29 AM |
| 96 | Our current Sheriff's office does an amazing job. | 3/6/2024 8:11 PM |
| 97 | The Charles County Sherrifs office does a good job with public safety. | 3/6/2024 4:24 PM |
| 98 | The Charles County Sheriff's Office is one of the largest and best Sheriff's Offices in the State of Maryland. They provide excellent services and the Sheriff serves at the pleasure of the voters, as does the county council. A county police department puts the police chief at the mercy of the county council and he's only accountable to 5 people. They can change who it is at will and this leads to disfunction, lack of continuity, and corruption in the county council as they control who the police chief is and are not accountable to law enforcement. See Jack Johnson in Prince George's County a number of years ago. The FBI had to get involved to set it straight. There was also a great deal of drama between Wayne Curry and the Sheriff of Prince George's County after Wayne Curry got elected. He had a grudge against the Sheriff who had previously caught him illegally carrying a gun into the courthouse while he was an attorney. He cut funding for the Sheriff's Office to the bone and service to the citizens suffered. At one point there were 45,000 unserved warrants and crime was rampant. Similar to my answer about the fire chief, the only reason for a police department and chief is to consolidate power at the county seat for the benefit of the council. Under the current system, the voters elect the Sheriff, but the council must fund the Sheriff's Office. The council and Sheriff must | 3/6/2024 2:21 PM |

Charter Board of Charles County Public Safety Survey

work together professionally and council members are still subject to the rule of law. If the Sheriff does not perform his duties, then the voters get rid of him, not the council on a whim or perceived slight. Sheriff Berry served many years in internal affairs and keeps the Sheriff's Office running according to regulation. Bad apples don't last. Don't fix what isn't broken.

| 100 | What a stupid question. Why would we need a police department when we already have good policing in Charles County? | 3/6/2024 10:28 AM |
| 101 | Sheriff can handle, no need to increase size of government when it is not needed. | 3/6/2024 9:18 AM |
| 102 | The current Sheriff's Office does a great job of protecting and serving this county. There is no need to raise taxes to bring in another department when we have town and county police. | 3/6/2024 8:51 AM |
| 103 | There are already multiple law enforcement agencies operating within the county. | 3/6/2024 8:29 AM |
| 104 | The sheriffs office does an outstanding job!! | 3/6/2024 5:39 AM |
| 105 | The Charles County Sheriff's Office does a great job solving crime and preventing it. coming from a county where it take 15 to 20 mins just to get a 911 call in. Again, why would we add when they are going the job and doing it well without costing tax payers more. | 3/5/2024 10:24 PM |
| 106 | A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county. | 3/5/2024 7:58 PM |
| 107 | If this is what a charter government is for, i don't want a charter government. | 3/5/2024 7:53 PM |

| 109 | Don't want a charter government | 3/5/2024 7:33 PM |
| 110 | The structure of the current law enforcement agency for the county, the Sheriff's Office, works. I DO NOT support changing from our current Sheriff's Office model. As county residence, we have the privilege to elect a new Sheriff every four years if we don't line the direction the elected sheriff is going we can vote them out. If the board elects to create a police department, it would no longer be a choice for the voter. Plus, the current Law Enforcement system if an elected Sheriff with a Sheriff's Office as the primary law enforcement for the county works, if you change that you break it. You don't have to look far at how it's failing in other jurisdictions like PG County, Montgomery County, Washington, DC. Folks from PG County and DC like our model so much they are moving to Charles County in droves. | 3/5/2024 7:22 PM |
| 111 | Horrible idea. We have a great sheriffs office. | 3/5/2024 6:44 PM |
| 112 | There is nothing wrong with the Sheriff's Office we have. The environment and working conditions are second to none. The Officers are dedicated employees. But this based on this people are saying a Charter Gov't will be no added expense. How can you have two police departments, but yet at no added costs? | 3/5/2024 6:25 PM |
| 113 | Absolutely not. Why be different and change something that is not broken. CCSO handles all law enforcement, outside of La Plata without any issues. | 3/5/2024 5:48 PM |
| 114 | Our sheriff office is considered one of the best, why are you looking to destroy that. | 3/5/2024 5:45 PM |
| 115 | The Sheriff's Office is very good. An appointed police chief is a political position who doesn't do what's best for the county but what those who appoint him desire. I do not support the formation of a police department. Additional the cost or creating a police department out way any possible benefit. Keep the Sheriff's Office | 3/5/2024 5:33 PM |
| 116 | I want my law enforcement head to be accountable to the people and not an individual executive. Answering to a county executive creates a higher possibility of unethical or corruption, look no further than the other counties with police departments, their politicians aren't policed by the police allowing for more corruption. | 3/5/2024 5:33 PM |
| 117 | Law enforcement should be served and headed by an elected official who will lead the way the voters support. An appointed chief will serve the needs of his boss, which is not the electorate. | 3/5/2024 5:21 PM |

| 120 | The Charles County Sheriff's Office is a great law enforcement agency compared to any other agency in the state. This request for a Police Department sounds like a county executive who wants the power to dictate the path of a police department. Right now, as it should be, the Sheriff is elected to and responsible to the people in the county. Not one person. This is a power grab the new County Executive wants and there is no other reason for it. | 3/5/2024 4:32 PM |
| 121 | NO | 3/5/2024 4:17 PM |
| 122 | Why take accountability away from the taxpayers? So we'll have one guy/gal deciding our law enforcement? No thanks. Already have one racist on the board and a thief. I don't want them deciding on the chief law enforcement officer of the county. | 3/5/2024 4:10 PM |

| 124 | The work the Sheriff's Office is doing currently is working just fine. We do not need to add any new departments to the agency. | 3/5/2024 3:46 PM |
| 125 | No, the Charles County Sheriff's Office is the best sheriff's office in the State. Do not destroy something that is not broken. We already have La Plata Town Police, Maryland State and CCSO - another police department is NOT needed. | 3/5/2024 3:21 PM |
| 126 | bad idea | 3/5/2024 3:13 PM |
| 127 | The sheriff's office does not have the approval to hire enough officers to keep up with the county's constant growth in neighborhoods and population. | 133 | Again I don't understand why you are trying to reinvent the wheel. What is the reason that you need to change a law enforcement institute that has had an outstanding reputation for serving its community. I moved here from an area that did not reflect the same reputation. 8. Having an elected official for Sheriff is more comforting than an appointed chief of police. | 3/5/2024 1:27 PM |

| 138 | I like our Sheriffs Office | 3/5/2024 12:39 PM |
| 139 | The Sheriff's Office has a proven record of providing excellent service and a police department would cost too much money and serve no additional purpose other than spending taxpayer money. I think we could use the money for better services. | 3/5/2024 12:38 PM |
| 140 | Sheriff Troy Berry and the Charles County Sheriffs Office do an outstanding job policing and enforcing law in the county. | 3/5/2024 12:35 PM |
| 141 | Why would we need 2 county police agencies? There is MSP and LPPD as well as CCSO. The board even says it, CCSO is a full service agency and does a fine job. | 3/5/2024 12:19 PM |
| 142 | The Charles County Sheriff's Office is a full service Agency that takes care of all the needs you just listed. Why would anyone want to spend millions of additional tax dollars just so the Commissioners could control the Chief of Police. The Sheriff is elected directly by the residents of this county. There is no benefit to splitting up these duties and charging the | 3/5/2024 12:16 PM |

residents more in tax dollars just so the County Commissioners can grab more control!!! That would be ludicrous.....

| 143 | the Sheriff's Office does a great job for the community. | 3/5/2024 12:05 PM |
| 144 | The ccso is one of the best law enforcement agencies in the country. Making a police chief would take the policing decision out of the hands of an elected poloce poloce official and into the hands of a politician. | 3/5/2024 11:56 AM |
| 145 | The Sheriff is an EXPERIENCED AND SWORN LAW ENFORCEMENT OFFICIAL, elected by the citizens of Charles County. THE Sheriff answers to the citizens. The Sheriff has the ability to employ his/her experiences and skills for combating crime and improving the citizen's quality of life. The County Commissioners usually are not experienced with Law Enforcement. A Police Department has an Appointed Chief who does not answer to the public, but to the County Executive. This Sheriff's Office is sound and the best form of Law Enforcement around. The Charles County Sheriff's Office is also the best law enforcement agency in the state of Maryland. The counties which have a police department, are for a much larger population with large commercial infrastructures such as Montgomery County. And, it just doesn't work for the betterment of the voting citizens. We do not need another government entity in between an elected Sheriff and the voting citizens of Charles County. | 3/5/2024 11:51 AM |
| 146 | The Sheriff's Office is very well-respected and operates effectively. The functions of the Sheriff's Office as is work appropriately, and there is no need to fix a system that is not broken. | 3/5/2024 11:33 AM |
| 147 | The addition of a police department to Charles County would long term be detrimental to the citizenry of Charles County. Not that the problem is universal but in some areas with police chiefs or police superintendents who answer directly to a city or county council, administrator, mayor, executive, etc, they are having major issues with crime or in some cases being misused by the elected city or county officials to harass the citizens. The Charles County Sheriff's Office does a stellar job of working for and with the citizens of Charles County. If ANY additional funding is to be considered for Law Enforcement in CC, it should go to the Sheriff's Office and La Plata Town PD. The creation of an entire new countywide police force would be an immensely expensive project that Charles County is not ready for. The government would have to fund new facilities, personnel, firearms, vehicles, equipment, training facilities, etc. What is currently available is adequate and could honestly use MORE financial support from the county... not a entirely new police department. Do not try to fix something that is NOT broken. | 3/5/2024 11:26 AM |
| 148 | We have a first class law enforcement agency already! | 3/5/2024 11:25 AM |
| 149 | I do not support this in the least. There are over 300+ Officers on a fully operational Sheriff's Office now, in addition to countless support personnel, and those within specialty units ranging from Forensic Science, Drone Operations, Digital Forensics, K9, Criminal Investigations, and School Resources. The entire law enforcement infrastructure is in place - and the idea would be to what, make them responsible for court and detention? This seems completely ineffective. | 3/5/2024 11:22 AM |
| 150 | Charles County has one of the best Sheriff's Office in the vicinity. We already have a small Town PD that still defers to CCSO on most calls. Overall satisfied with current operations of the Sheriff's Office | 3/5/2024 11:17 AM |
| 151 | Our law enforcement is currently accountable to the voters and taxpayers and this should not change. If we do not like the direction our law enforcement is going, we can elect a new leader. With a chief he/she is only accountable to the county executive. You are attempting to fix something that is not broke. | 3/5/2024 11:12 AM |
| 152 | DON'T FIX WHAT ISN'T BROKEN! | 3/5/2024 11:02 AM |

| 157 | The Sheriff's Office functions now just fine. I like that I can elect my Sheriff. I like that its ONE unit. It makes things less confusing for an average citizen, they go to ONE place. I also don't think you'd find enough employees to staff ANOTHER agency. | 3/5/2024 10:54 AM |

| 167 | We don't need a police dept. ccso is the best | 3/5/2024 10:41 AM |
| 168 | The sheriffs office provides excellent law enforcement services and the county does not require a police department. If the county goes to create a county police department it will go the way that Prince George's and Montgomery has, where the residents get fed up with the county service and hire town police to patrol their jurisdictions. When this happens, the county will lose tax revenue and be forced to cut their services, which are often viewed as substandard in those jurisdictions. Take Bowie City for example. The residents there do not under any circumstances want Prince George's County Police patrolling or investigating in their city. What the county officials must ask, is do they want Charles County to be filled with townships and cities with municipal police and fire departments? Mark my words, this is what will happen. Additionally, the county commissioners will have to deal with a police union. The sheriffs office often keeps police unions at bay. Is Charles County ready to deal with a law enforcement officers labor organization that's more vocal on how things are running? | 3/5/2024 9:32 AM |

| 189 | We have a Sheriff who is doing a great job. Why spend more money on a police department? It doesn't make sense. | 3/3/2024 2:43 PM |
| 190 | No. But please add to the existing Sheriff department. We never see any law enforcement on Cobb Island. | 3/3/2024 2:31 PM |
| 191 | "addition of police department " to do what? Most of the deputies and police officers in Charles county are friends or associates with residents and they don't uphold the law. Charles county has slowly became a run-down, drug and crime infested place. Despite the number of new businesses, Charles County is starting to have the same crime problems of neighboring DC and Baltimore. Hire law enforcement personnel of INTEGRITY who will put the law first instead of law enforcement personnel who "hook up" and "watch out for" their friends, partners, homeboys, and neighbors. | 3/3/2024 2:23 PM |
| 192 | Our sheriff dept already does a great job | 3/3/2024 2:14 PM |
| 193 | Again, you need to better explain how this new police department and what it's pros and cons are. I don't understand why a new police department is needed if the current CCSO serves this function. | 3/3/2024 1:44 PM |
| 194 | I think the current structure works fine. | 3/3/2024 1:33 PM |
| 195 | There is nothing wrong with the Sheriff's office | 3/3/2024 1:18 PM |
| 196 | I do not support more politics in law enforcement. A PD would have a Chief appointed by a politician/political body. That could mean a police state or selective law enforcement based on the whims of the appointing authority. I prefer the elected Sheriff for law enforcement. No need to create another high paying government employee. The voters will determine whether a Sheriff is doing an acceptable job. Creating a PD only creates some duplication of duties and more cost to the taxpayers. | 3/3/2024 1:18 PM |
| 197 | I wasn't aware that CCSO was failing to meet the law enforcement needs of the county. | 3/3/2024 1:16 PM |
| 198 | I dont want the county politics to be able to destory another efficient agency. At least the sheriff doesnt have to kiss the counties politicians asses | 3/3/2024 1:15 PM |
| 199 | There is no need for this. | 3/3/2024 12:15 PM |

| 202 | Only if the court system will stop letting criminals out. More police doesn't mean a better justice system. | 3/3/2024 10:49 AM |
| 203 | Enhance what we have | 3/3/2024 10:45 AM |
| 204 | Or get volunteer sworn police officers??? There's a reason the states don't have volunteer police. They have auxiliary police. Hence the reason we should have paid Firefighters that are supplemented by the volunteer system. | 3/3/2024 10:35 AM |
| 205 | The ccso has been very good to this community. | 3/3/2024 10:27 AM |
| 206 | Keep the Sheriff, this type of position should be elected not selected. | 3/3/2024 10:15 AM |
| 207 | Already have CCSO | 3/3/2024 10:14 AM |
| 208 | Sheriff does a great job. Just support them. | 3/3/2024 9:08 AM |
| 209 | Another tax & control issue. No, No, No... | 3/3/2024 8:11 AM |
| 210 | I see this option as just more bureaucracy, personnel, and cost with no net increase in public safety | 3/3/2024 6:50 AM |
| 211 | Perhaps in the future. Population matters too. Income matters too. Is the County receiving the correct funding that's needed for our citizens? | 3/3/2024 2:37 AM |
| 212 | The more officers the better! It will also provide additional opportunities for local students to serve their communities. | 3/3/2024 12:44 AM |
| 213 | Nah I think they already don't understand the lines and cross them to many times now. | 3/3/2024 12:05 AM |
| 214 | Again, our taxes are high enough already. | 3/2/2024 9:02 PM |
| 215 | Our Sheriff is doing a fabulous job. We do not need a Police Department. | 3/2/2024 8:14 PM |
| 216 | There are a lot of facets to this. Not a yes/no question. | 3/2/2024 7:37 PM |
| 217 | No to charter government | 3/2/2024 7:08 PM |
| 218 | Nothing wrong with what we have . | 3/2/2024 7:03 PM |
| 219 | What happened to the police station that was set up behind the local Burger King in Bryans Road? That presence needs to be here. | 3/2/2024 6:50 PM |
| 220 | I don't believe that Charles County is in need of a police department. Our Sheriff's Department has done and is doing a great job. Don't try to fix something that's not broken. What we really need is additional FTEs for the department to keep up with our growth! | 3/2/2024 6:48 PM |
| 221 | No to Charter Govt | 3/2/2024 6:24 PM |
| 222 | It is very much needed. | 3/2/2024 5:59 PM |
| 223 | I think it needs to stay a separate entity. Stop trying to make county government bigger and more expensive. I think a county executive will have too much power. Charter board is not what the people want and not what we voted for. | 3/2/2024 5:12 PM |
| 224 | The sheriff department has served us well since it's inception. The sheriff needs to be accountable to the residents not the politicians and bureaucrats. There is no need for two departments with split duties. This would just be another expense that we, the tax payers would have to pay for. | 3/2/2024 4:59 PM |
| 225 | What we have is adequate. It's the court system that needs attention. The police do their job but then the court system fails to punish offenders | 3/2/2024 3:09 PM |
| 226 | Where do you think the funds are coming from to support this? | 3/2/2024 2:12 PM |
| 227 | We already have a good Sheriff's office. If people here want two then move back to wherever they came from. I've lived here 53 years and we don't need Charter Govt. | 3/2/2024 2:04 PM |

|-----|--|-------------------|
| 228 | An elected sherriff works for the people to enforce the constituional law. A police department works for one executive and enforces policy with no commitment to the constitution of this country. | 3/2/2024 2:00 PM |
| 229 | I do not know what the benefit would be, so it's impossible to say whether or not I would support this. | 3/2/2024 1:25 PM |
| 230 | The CCSO is fine just as it is. | 3/2/2024 1:20 PM |
| 231 | Have you thought about how much it is going to cost the county's tax payers to have another police department? Are you out of your fucking minds. Say no to charter. | 3/2/2024 12:37 PM |
| 232 | I am against the charter altogether!! | 3/2/2024 12:26 PM |
| 233 | ONLY if the monies are taken from the tax funded legal fees the Commissioners enjoy. | 3/2/2024 11:53 AM |
| 234 | The Sheriff's office has done a great job and continues to do a great job day in and day out. This is just a power grab by local government to have control of the Chief. The sheriff does not answer to local government, he answers to the public in which he serves. | 3/2/2024 11:51 AM |
| 235 | With an increase in crime that many residents seem to complain about, an additional police force would be welcomed. La Plata currently has a Police Department, County Sheriff Department, and Maryland State Police. That seems to work for them. | 3/2/2024 11:40 AM |
| 236 | The cost to add a police department will be expensive. It would add additional executive staff salaries, additional buildings needed as well as additional officers with no guarantee the current CCSO officers would transition to a police dept. | 3/2/2024 11:03 AM |
| 237 | In time yes, but let's get the charter structure in place first and in the future voters can choose to add a police department as the need becomes more clear | 3/2/2024 9:08 AM |
| 238 | Why? | 3/2/2024 8:40 AM |
| 239 | The Sheriff is elected by the citizens of Charles County and is not appointed by some corrupt government entity. There is to much government overreach in Charles County now we do not need to add any additional government agencies especially an armed force solely run and operated by the government. The Charles County Sheriff's office is more than sufficient in providing law enforcement to the county. There is absolutely no reason to have an additional police force that would be 100% government owned and operated. Any funding that was or is being considered for any additional Police force needs to go to the Charles County Sheriff's office 100%. | 3/2/2024 7:04 AM |
| 240 | They are doing a great job no need to | 3/1/2024 3:48 PM |
| 241 | Not needed. Where will the money come from to create such a department. Our taxes are high enough as it is. | 3/1/2024 2:28 AM |

Q9 If this change is implemented under charter, how would you suggest Charles County pay for the additional costs? (Check all that apply)

| 160 | DO NOT CHANGE IT. There is no need for an additional police force. Give the Sheriff's Office more money to hire more police. | 3/5/2024 1:35 PM |
| 161 | The amount of money required to start up a brand new law enforcement agency has got to be large. If you want to seriously purpose this, I wouldn't do a survey, but a day that the community can meet and hear why it is you want these changes so earnestly. | 3/5/2024 1:27 PM |

| 172 | No Change is needed. | 3/5/2024 11:53 AM |
| 173 | If the current form of government was left alone, there would be no need to increase fees or taxes to fund "extra costs". To go to a Charter Government and create a Police Department, this will cost the county residents hundreds of millions of dollars extra, which will drive up taxes tremendously. | 3/5/2024 11:51 AM |
| 174 | No more money, aren't we the highest taxed County in the Stsye. | 3/5/2024 11:25 AM |
| 175 | The cost of establishing a fully functional police department from the ground up, plus recruiting officers at a time when no one wants to work in law enforcement, is crazy. How does the Charter expect the citizens of Charles County to pay for this when some cannot even afford to pay for their electric bill, or their enormous property tax bill? Why not consider putting more resources into the law enforcement agency that you current have???? | 3/5/2024 11:22 AM |
| 176 | NO NEW TAXES!! You take enough of our money. | 3/5/2024 11:12 AM |

replace the Sheriff every 4 years, and the Sheriff knows it. I can see no practical reason to grant the authority to pick a Police Chief to conduct all primary law enforcement for the County, while relegating the Sheriff, whom the voters select, to a vastly reduced role. What we have works. What's the logic in taking power from the voters and giving it to a small group of elected council members, each with their own agendas? Put simply, the Sheriff does what the PEOPLE want (within the law), the Police Chief will do what the COUNCIL wants (to keep his paycheck coming). And if the Chief won't....then we get the carousel of chiefs from the non-stop firings and resignations. Dysfunction defined.

| 18 | I'd like to see community policing to enforce the gun shooting ranges in our community, loud vibrating outdoor music for commercial venues and the racing of anything on wheels flying by our homes daily. We have more aggressive and illegal drivers who run red lights, pass on double yellow lines, pass on the road shoulder and fail to stop at stop signs. There are not enough policing for our growing and reckless drivers in our community. | 3/19/2024 11:48 PM |

| 37 | YES, they are being meet! So thankful to live in this county, instead of county with a "Police Department" with extremely high crime. | 40 | Too much lawlessness. Drivers using turning lanes to bypass traffic then cut in front, teenagers allowed to harass neighborhoods. They need to enforce all laws more | 3/8/2024 8:05 PM |
| 41 | The officers now are overwhelmed and underpaid. The more residents you drive in from PG county the worse crime is getting. I don't see how you people don't see the correlation. As well as the blatant disrespect for any person of authority. But go ahead and keep building your houses. Also go ahead and keep letting criminals off out into the streets. The judges around here already suck. Charles county would not be safe with any commissioner in power of the police department. All of these people are untrustworthy and abusive of their power. | 3/8/2024 7:54 PM |

| 46 | Cc Sheriff's Office is the best of the best. | 3/7/2024 7:14 PM |
| 47 | Our police are great. Problem is the legal system. Catch and release approach needs to stop. | 3/7/2024 4:03 PM |
| 48 | There seems to be a good presence of policing in the county | 3/7/2024 3:45 PM |
| 49 | Because we don't let them do their jobs. | 3/7/2024 3:20 PM |
| 50 | Hire more sheriffs deputies. Having we do not need larger government involvement, just fund what we have! | 3/7/2024 11:30 AM |
| 51 | Yes! I am well traveled for my work. Our Sheriff's Office is excellent. I have seen dysfunctional and corrupt police departments, and want no part of this having a possibility to occur where me and my family live. | 3/7/2024 10:27 AM |
| 52 | The Sherrifs do a good job in Charles County. | 3/6/2024 4:24 PM |
| 53 | Need more police | 3/5/2024 9:58 PM |
| 54 | Charles County has one of the best trained and best LE services in the country, a police dept would ruin that and bring in union officers that protect bad cops and hurt good cops, hurt response times and citizen/officer relations. Let the people choose their top cop not a board!!! A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county. | 3/5/2024 7:58 PM |
| 55 | Don't want a charter government | 3/5/2024 7:33 PM |
| 56 | Yes, they have been met and exceeded. That's why I find this hard to believe the thought of this County wants another Police Dept. | 3/5/2024 6:25 PM |
| 57 | Never an issue with CCSO. | 3/5/2024 5:48 PM |
| 58 | Absolutely, compared to police departments in the state we have one of the finest law enforcement agency in the state. Why are you looking to destroy that. Police department fall under the authority of a county executive not the people that elect him/ her. That creates a more favorable atmosphere for unethical behavior and 3 of our current commissioners have shown questionable ethical behavior. The most ethical politician we have is our sheriff, we need that to balance the power. | 3/5/2024 5:45 PM |
| 59 | A police department is a waste of tax payer money and would allow for greater unethical | 3/5/2024 5:33 PM |

| 65 | Have you taken a look at everything they do, and to maintain favor in the community is amazing. Look north and see what messes exist. | 3/5/2024 1:27 PM |
| 66 | I picked yes, but the way some juveniles act is concerning. | 3/5/2024 1:02 PM |
| 67 | The Charles County Sheriff's Office is doing a great job! | 3/5/2024 12:59 PM |
| 68 | Don't tax the citizens with something that's not needed, just because you have no control over another elected official! | 3/5/2024 12:50 PM |
| 69 | The Sheriff's Office provides great service. | 3/5/2024 12:38 PM |
| 70 | The Charles County Sheriff's Office is a top notch agency and an example for other agencies around the county to model themselves after. | 3/5/2024 12:35 PM |
| 71 | Like with the EMS/fire... this county is growing exponentially, and all first responders are struggling to keep up. Maybe stop the growth of housing and dangerous intersections, and work on keeping crime out to put less force on the police agencies in this county. | 3/5/2024 12:19 PM |
| 72 | The Charles County Sheriff's Office is a premiere Law Enforcement Agency in this state and throughout the country. What is really going on with the County Commissioners that they would want to change something that has worked for more than 370 years? It's not broken, leave it alone. | 3/5/2024 12:16 PM |
| 73 | The Sheriff's department does an outstanding job. They need the support of the commissioners to stop letting criminals go without penalty. | 3/5/2024 12:10 PM |
| 74 | Compared to other counties, our crime is significantly lower. Serious crimes are solved faster and investigated thoroughly. The sheriff's office is doing a great job, better than most police departments in the area. I do not see the needs to implement a police department when the one we have is efficient and effective. Also, the cost to create a new department will only increase the cost to live in the county. | 3/5/2024 11:41 AM |
| 75 | I am extremely pleased with the services being provided by my Sheriff's Office. | 3/5/2024 11:22 AM |
| 76 | Other than incarcerated individuals being released either by the Commissioner or Courts (since COVID to current) for charges they should be held in jail, the officers are doing their job appropriately | 3/5/2024 11:17 AM |
| 77 | The sheriff's office is top notch. As stated before why would we want them accountable to an elected official and not the voters and taxpayers? PG Co is a mess and it looks like some want more government. That is the last thing we need as too much government is the reason we are in a this mess now. | 3/5/2024 11:12 AM |
| 78 | We need more officers | 3/5/2024 11:10 AM |
| 79 | More than met | 3/5/2024 10:54 AM |
| 80 | I HAVE FULL FAITH IN MY SHERIFFS OFFICE. Those men/women do an awesome job - don't fix something that isn't broken!!! | 3/5/2024 10:54 AM |
| 81 | Absolutely sheriff Berry has been the most ethical politician we have in the county. He needs to be the law enforcement official in the county. No police department | 3/5/2024 10:52 AM |
| 82 | We have an awesome Sheriff's Department and do not need to add to the County | 3/5/2024 10:51 AM |

| 85 | Again has there ever been a service failure of the sheriffs office and providing services | 3/5/2024 10:44 AM |
| 86 | Sheriff Troy Berry and prior sheriff Rex Coffey have provided quality law enforcement services to the citizens of our county for decades. Why are we going to try and fix what isn't broken? | 3/5/2024 9:32 AM |
| 87 | This is a hard question, yes they are doing their best with what they have. But more is needed. More officers for sure. | 3/4/2024 8:44 PM |
| 88 | This is a joke of a survey anyone can fill it out. They don't have to live in Charles to have an opinion. They could literally live in Europe and fill this out if they get the link. | 3/4/2024 10:29 AM |
| 89 | Yes, with a caveat, you cannot lower standards to bring in more officers. Pay and benefits needs to be addressed, and most importantly, support and back the sheriff's department officers!! The "defund" movement is a complete and utter FAILURE! | 3/4/2024 10:22 AM |

| 95 | Absolutely Charles County sheriff department does an amazing job with police presence, response, time, and community events that focus on engaging with the community and the youth. More importantly, our resource officers doing an amazing job in the schools helping keep our school safe. | 3/3/2024 8:26 PM |

| 99 | The Sheriffs Office does a great job. Why pay more to fund two different departments to do the same work? It's not broken. Don't fix it. The VOTERS should pick their law enforcement leader, and keep the ability to vote them out if we aren't satisfied. If the public wants one thing, but the council and executive want another, which one will do the people's will? And which one will do what will keep their paycheck? NO POLICE DEPARTMENT OR POLICE CHIEF! | 3/3/2024 5:48 PM |

| 101 | The county is too lax in handling juvenile crime | 3/3/2024 2:30 PM |
| 102 | People with nothing to lose come from urban areas trying to break into cars and homes. Noise complaints aren't addressed, but instead laughed off. Single mothers leave elementary school aged children home unattended for extended (up to 3 hours or longer) periods of time. People who don't live in communities, park their cars in communities and get high. | 3/3/2024 2:23 PM |
| 103 | Definitely not. They suck. They only care for themselves and do not help anyone. | 3/3/2024 1:31 PM |
| 104 | CCSO is doing a great job. Give them more positions. | 3/3/2024 1:29 PM |
| 105 | Generally yes. If I have a problem, the current Sheriff adequately addresses it. He has to do so to keep the voters confidence to be reelected. A Police Chief may not be as accommodating. | 3/3/2024 1:18 PM |
| 106 | Could still use more officers. | 3/3/2024 1:15 PM |

| 114 | CCSO leadership does not do a good job of ensuring that they are engaged in the whole operation. They are very silo-ed and doesn't coordinate well with other responder agencies. My recommendation is to create the police dept, strip the majority of funding from CCSO for the police dept. This dept needs to be accountable to Co Admin and Commissioners. | 3/3/2024 9:56 AM |

I contacted the owner of the property they have security the drives around the shopping center. I was told that they offered the Sheriff department an office space that they could use that would have police presence on the premises. They declined. What a missed opportunity. | 3/2/2024 5:35 PM |
| 127 | Our law enforcement does a great job in our county. | 3/2/2024 5:12 PM |

| 136 | Why is this question last in the Sheriffs question but first on the EMS question? | 3/2/2024 11:49 AM |
| 137 | I believe the sheriffs office is doing thier job but the system allows too many offenders out to do more harm before their court date | 3/2/2024 10:41 AM |
| 138 | We have a great force We have bad judges letting criminals loose | 3/2/2024 9:39 AM |

| # | RESPONSES | DATE |
|----|---|--------------------|
| 1 | Too much crime, carjacking, shootings, thefts, drugs, kids having fight clubs in school.. how about making parents accountable and keeping criminals locked up. No more catch and release. | 4/11/2024 1:22 PM |
| 2 | Too much crime and not enough punishment given to criminals. Murderers should NOT be allowed to be released on bond. | 4/11/2024 12:30 PM |
| 3 | They don't help. I have called for trespassing and the trespasser is committing the crime right in front of them and they tell me to call DNR. What? | 4/10/2024 11:40 AM |
| 4 | Criminals need to be held accountable for their crimes, STOP catch and release! | 4/10/2024 11:24 AM |
| 5 | Crime in the county has increased over the past couple of years that is has our current police departments completely overwhelmed. Having a volunteer police force to handle the SRO programs, traffic events, weather emergencies, special details would free up our police force to be out in the streets doing community policing, bringing down or preventing crime. | 4/10/2024 9:35 AM |
| 6 | The current CCSO and State troopers are not enforcing current laws. If they increased traffic violation citations for driving under the influence, speeding, outdated vehicle tags and illegal tint, that would increase current revenue. | 4/9/2024 4:54 PM |
| 7 | Police were not helpful in a clear property damage case | 4/9/2024 3:27 PM |
| 8 | I feel that the there is a lack of diversity in the department at the top and because the sheriff doesn't answer directly to the people ha has a lack of concern as well as respect for certain areas in the county. It's time for a change!!! | 4/2/2024 9:34 AM |
| 9 | Crime is too high. People are smoking weed and driving on our roads. Homeless people are panhandling on our streets and hanging out in front of businesses. Reckless driving is a problem. | 3/29/2024 6:45 AM |
| 10 | Because the cliché of leaders at county and state level are undermining due process under the law. The fear being pushed by the syndicate of leaders is too soft on crime. We don't want to "target" mentality! They want complete influence whether it's legal or fail. This totally unacceptable. Troy Berry is not the problem. It's the culture that a small handful of folks want-Wild, Wild West! | 3/28/2024 2:13 PM |
| 11 | Crime is running rampant in the county due to criminals moving in from other areas because they are released on their own recognisance without paying a bond and they are free to commit other crimes. This county use to be quiet and there wasn't much crime. Replace the sheriff he is worthless. | 3/26/2024 11:15 AM |
| 12 | There is too much crime and not enough enforcement of the laws now | 3/23/2024 6:11 PM |
| 13 | You are building way too many apartments and houses... officials are ruining la plata with all the building!! | 3/21/2024 10:20 AM |

| 15 | I find that officers are not well trained and we need more diversity. | 3/20/2024 7:47 PM |
| 16 | My neighborhood is not patrolled often enough and petty crimes have occurred too frequently. If this is allowed to continue, my family and I fear greater crimes will follow. We bought our home here and plan to stay for many years into the future, but, we will leave if this area continues to grow exponentially without a strong safety (police) enforcement plan. | 3/20/2024 6:12 PM |

| 141 | There are racial disparities, that create lack of trust in communities of color. Often response times are longer and lack of enforcement. Engagement in the community is lacking due to culture differences. Along with culture insensitivities. | 3/2/2024 6:04 PM |

| 146 | The town of la plata cops would rather TikTok at car washes than do their job and are always calling for county cops | 3/2/2024 12:22 PM |
| 147 | We have an elected sheriff chosen by the people. A chief, appointed by politicians, can be used as the scape goat for failed policy. The sheriff on the other hand can speak out against foolish or poorly written law/policy and doesn't have to bow down to a politician to keep their job. | 3/2/2024 11:49 AM |
| 148 | We need to have more of a police presence in areas that are experiencing an increase in crime. | 3/2/2024 11:40 AM |
| 149 | Residents have little to no input through their Charles County govt or elected officials on how police resources are allocated across communities. | 3/2/2024 9:08 AM |
| 150 | Why??? Because of the political landscape in the county with Sheriff's office not being allowed to do their job to the fullest extent anymore. For instance not being allowed to chase and apprehend the individuals on dirt bikes, four wheelers or any other none road worthy vehicle that is being operated on the roadways in the county. Also not being allowed to chase and use pit maneuvers any longer to stop reckless operations of any vehicles on the roadway of Charles County. | 3/2/2024 7:04 AM |
| 151 | Once again stop building homes!!! And we would have enough police | 3/1/2024 10:19 PM |

| 1 | How about no Charter Board at all | 4/11/2024 3:16 PM |
| 2 | Changing the current structure of the county government is unnecessary and goes against the desires of why newer residents like me moved here. One of the reasons I moved here is to escape the county executive structure and have a representative government for the entire county. I like that each district in the county has equal say with the decision being made for the entire county instead of having one county executive with less powerful commissioners reporting up to the executive. My experience has been that many areas in the county are overlooked while the executive primarily focuses on the areas that comprise their electoral base. | 4/11/2024 2:01 PM |
| 3 | LOEs should be patrolling problem areas, not waiting to be dispatched to calls. Work for the people while on the clock. | 4/11/2024 3:14 AM |

| 10 | Build the additional Police Departments - BUT with the current revenues + the new additional revenues the County will aquire by the recent & outrageous property tax hike the County imposed upon its Citizens. | 4/10/2024 5:15 PM |
| 11 | Keep law enforcement out of governmental jurisdiction | 4/10/2024 2:03 PM |
| 12 | Look into a volunteer police program | 4/10/2024 9:35 AM |
| 13 | I prefer current system where the Sheriff has full authority over the office and not a County Executive like Prince George or Anne Arundel. | 4/10/2024 8:44 AM |
| 14 | Leave the current structure in place. There's nothing Sheriff Bery and his staff aren't taking care of for the citizens. Charter proponents are just looking for another way to expand government. You all are wasting taxpayer money. | 4/10/2024 8:12 AM |

| 24 | Waldorf definitely needs an independent police department. It is the fifth largest city in Maryland and a sheriff department is outdated for what is going on in our city at this time. | 4/2/2024 9:34 AM |
| 25 | Stay out of the law enforcement! | 3/28/2024 2:13 PM |
| 26 | Don't know why Charles County has Sheriffs instead of police anyway but having both sounds redundant...and expensive. | 3/24/2024 1:25 PM |
| 27 | We don't have a Charter Board Enforce the laws on the books and sentence criminals to the extent of the law. Tax payers should not pay for Thomacina Coats defense. That money should go to the good of Charles County. | 3/23/2024 6:11 PM |
| 28 | Why are you even entertaining a police department? That makes me not vote for charter government | 3/23/2024 3:34 PM |
| 29 | The fact you are pushing for a police department, when the sheriff's office is one of the most respected law enforcement agency in the metro area, makes me question your true motive of a police department. Charter government doesn't create accountability it allows for more cover up | 3/23/2024 12:01 PM |
| 30 | The simple answer is that the Board should exempt law enforcement from the Charter. The current structure provides a great balance of power, so that the Council cannot exert pressure on the Chief to make decisions to save their position, rather than doing what is right for the PEOPLE. | 3/22/2024 8:57 PM |
| 31 | Make it an offense equally as severe as drunk driving to those that choose to travel our roads smoking marijuana without racializing the issue. Impaired driving is impaired driving!!. | 3/22/2024 8:47 PM |
| 32 | The current fire and ems has operated each year at the same percentage of property tax funding per county law Chapter 54 with no change or increase in the formula for approximately 25 years. No need for charter government — increase formula to enhance and improve volunteer fire and ems as it current operates. | 3/22/2024 7:30 PM |
| 33 | No charter board | 3/22/2024 7:28 PM |
| 34 | No charter government. You board was appointed by commissioners in which three of them have proven to be extremely unethical, the latest one suspended from his job | 3/22/2024 3:42 PM |
| 35 | The only way I would vote for a charter government that plans to waste money on a police department is if Sheriff Troy Berry runs for county executive, he's the only politician that reaches the majority of the citizens and is an example of true integrity | 3/21/2024 10:55 PM |

| 42 | No comment... | 3/20/2024 12:32 PM |
| 43 | More policing for the removal of gun shooting ranges in our community, quiet the loud outdoor music at commercial venues in the community, Stop the racing of anything on wheels flying by our homes daily. (especially during warmer weather). Ticket and fine the illegal drivers who fail many highway laws daily. Not enough visible policing on the highways. | 3/19/2024 11:48 PM |
| 44 | Hire more police and support them. | 3/19/2024 10:08 PM |

| 49 | None needed... | 3/19/2024 4:33 PM |
| 50 | I don't believe that another police department is need for the county. The only thing I would suggest is adding additional officers on the current Sheriff's Department. | 3/19/2024 3:26 PM |
| 51 | A POLICE DEPARTMENT IS A TERRIBLE IDEA KEEP THE SHERIFFS OFFICE WITHOUT ANY CHANGES | 3/19/2024 2:53 PM |

| 54 | None | 3/19/2024 10:58 AM |
| 55 | I do not believe we need another police service. We need to focus on one dept and work to make it better. I do not agree with a county exec appointing who they like | 3/19/2024 10:57 AM |
| 56 | Keep it as it is , | 3/19/2024 10:52 AM |
| 57 | Independent review board consisting of 3 equal areas of concern. 1/3 elected by county, 1/3 appointed by state, and 1/3 private interest focused on law enforcement. | 3/19/2024 10:51 AM |
| 58 | NO FUCKING CHARTER GOVERNMENT! TIRED OF SAYING IT AND TIRED OF THIS "SURVEY" ACTING LIKE IT IS A DONE DEAL, WHEN IT IS NOT YET! UNFORTUNATE BUT PROBABLE | 3/19/2024 10:24 AM |
| 59 | none | 3/18/2024 6:34 PM |
| 60 | no charter board | 3/18/2024 5:28 PM |
| 61 | Current sheriff's office is more than sufficient | 3/17/2024 1:02 PM |
| 62 | Leave it as it is. If it's not broken don't try to fix it. | 3/16/2024 8:55 PM |
| 63 | NO CHARTER GOVT> | 3/16/2024 3:10 PM |
| 64 | The Sheriff's office is controlled by an elected Sheriff. The citizens have the power to elect a new Sheriff is they are not satisfied. A charter board would take that away from the citizens to directly elect the person in charge of the county's law enforcement. | 3/15/2024 4:10 PM |
| 65 | Dissolve the charter board, it is a costly un-needed power play. You will see long time residents leave your precious tax base and move away if this goes through. | 3/15/2024 1:26 PM |
| 66 | I agree with establishing a separate law enforcement agency. | 3/14/2024 10:41 PM |
| 67 | If it's not broken, why try to fix it | 3/14/2024 9:34 PM |
| 68 | No county govt | 3/14/2024 9:25 PM |
| 69 | The charter should ban a police department. This issue can be on a ballot by itself in the future. | 3/14/2024 9:19 PM |
| 70 | No change | 3/14/2024 9:18 PM |
| 71 | Mental health services | 3/14/2024 6:51 PM |
| 72 | I will not support a charter government if there is even a possibility of a police department. sheriff Berry is the most ethical politician in the county, he needs to remain the law enforcement head for the county. No police department | 3/13/2024 8:30 PM |
| 73 | If this inflation police department I will not vote for a charter government unless sheriff Berry runs for county executive | 3/13/2024 8:21 PM |
| 74 | Dissolve La Plata PD, and bring them on to CCSO. Incorporate more sections of the county, and if they need a police force, let them build one. Examples: Nanjemoy/Ironsides/Port Tobacco, Hughesville/Charlotte Hall/Bryantown/Dentsville. | 3/13/2024 3:14 PM |

| 77 | Charles County does not need or want charter government | 3/12/2024 2:18 PM |
| 78 | NO TO CHARTER GOVERNMENT. | 3/12/2024 2:00 PM |
| 79 | Additional funding for law enforcement in Charles County NOW! The amount of building going on in the county at this time is not keeping up with the amount of county services being provided. Changing the shape or form of government is not going to change your present course of action. | 3/12/2024 11:57 AM |
| 80 | Increase the police presence and have community involvement. Bring back the bicycle cops in the neighborhoods. The mall should have a better police presence. Inside and out. Maybe increase their pay so they give a damn. | 3/12/2024 10:32 AM |
| 81 | Devote more resources to CCSO so they can properly hire and fill out critical positions within the agency (as well as retain those hired), especially in sections like Communications, which is critically low on staffing at this point. | 3/12/2024 10:31 AM |
| 82 | Charles County does not need a Charter Government! | 3/12/2024 10:03 AM |
| 83 | See above response. This question is acting on the assumption that the Charter Board will be approved. | 3/11/2024 5:38 PM |
| 84 | Leave the Sheriff Department alone. They are doing a great job | 3/10/2024 11:33 PM |
| 85 | Investing resources into social safety net for low-income households would help reduce crime. Spend less on law enforcement and more on deeply affordable housing and workforce development opportunities for livable wage employment. | 3/10/2024 10:39 PM |
| 86 | None. | 3/10/2024 5:14 PM |
| 87 | I do not support a charter gov with it current commissioners Three already show biased opinions. | 3/10/2024 11:44 AM |
| 88 | Leave law enforcement alone. | 3/9/2024 5:32 PM |
| 89 | Our county needs things such as, more schools with qualified teachers to staff them, another hospital to help the only over run one we have, More resources for mental health, and the every increasing homeless population in our county, that every one see daily while driving through our county. You are taking about creating new and adding very expensive things without fixing the problems that effect every citizen of this county every day first. PLEASE !!!! do not destroy something that is working, only to give you more power and control. It is very apparent this is the only reason this would be considered. | 3/9/2024 2:20 PM |
| 90 | No to charter... | 3/9/2024 2:00 PM |
| 91 | No, the "Proposed Charter Government" do not need to add or alter any thing. Our government is fine the way it is and our law enforcement is sufficient as is. | 3/9/2024 11:43 AM |
| 92 | Charter board sucks ass | 3/8/2024 7:54 PM |
| 93 | Do not explore options for your personal agenda. Unless something is broke do not try to fix it. | 3/8/2024 7:30 PM |
| 94 | Keep it like it is! No need to fix what is not broken | 3/8/2024 11:28 AM |
| 95 | No to charter government | 3/8/2024 11:11 AM |
| 96 | NO CHARTER BOARD | 3/8/2024 9:09 AM |
| 97 | Fund the sheriff's office so they are able to reach full staffing. Then added more authorized positions to them so they can be properly staffed to keep up with the increase in the counties population. An additional law enforcement agency for the county is unnecessary. Any thing that would require an increase to county taxes would unfairly burden the citizens who struggle to keep up with inflation and increased cost for daily life. | 3/8/2024 8:24 AM |
| 98 | Stay in your lane! Leave our law enforcement and emergency services and tax dollars alone!!!!!! | 3/8/2024 6:14 AM |

| 101 | Crime areas are well known. Force current laws. Hold accountability for criminal activity. Not just releasing them with no consequences | 3/7/2024 7:51 PM |
| 102 | Take care of your current sheriff's department and allow them to do their jobs. | 3/7/2024 7:39 PM |
| 103 | Recommendation for the charter board: consider disbanding and considering not fixing something that is not broken. Power should not be consolidated to one County executive. Our current government is fine. | 3/7/2024 7:37 PM |

| 112 | I do not want a charter government. I think it's a bad idea. Law enforcement now needs a raise. We do not need to spend money on supporting those who don't do their job, those who commit crimes and people, not worthy of my tax money and miss appropriated, tax money, clean up the act now No Charters | 3/7/2024 3:00 PM |

| 126 | The Charles County Sheriff's Office has been the primary law enforcement agency in our county for hundreds of years. Do not fix what isn't broken. Our Sheriff's Office has proven its effectiveness. Give them the resources they need to continue providing top tier services to our citizens so they can be ahead of, not behind and trying to catch up from, the growth our county is authorizing and permitting. | 3/7/2024 7:38 AM |

| 132 | The Sheriff's Office is working well and I do not support adding a Police Department. Lets not try to fix something that's not broken | 3/6/2024 3:58 PM |
| 133 | Leave things the way they are | 3/6/2024 2:34 PM |
| 134 | Sheriff Troy Berry is one of the most ethical politician in the county. He should be and remain the head law enforcement official in the county. A police chief would have to answer to politician and not directly to the people that elected him/her. Keep the sheriff office as the only law enforcement agency in the county. | 3/6/2024 2:14 PM |
| 135 | Keep what we have. | 3/6/2024 11:59 AM |
| 136 | Better have the funding from current budgets without increases we can't keep raising taxes on people | 3/6/2024 10:19 AM |

| 140 | What you are not telling people is that a charter government would impact the current Sheriff's Office as it falls under the county government. It's not right to mislead people. All the people answering they are satisfied with current services should be told that all those providing these services may have to reapply for their positions which will impact the services they are happy with. | 3/6/2024 8:29 AM |

| 144 | Add more officers to the current sheriff's office!!! | 3/5/2024 8:10 PM |
| 145 | Charles County has one of the best trained and best LE services in the country, a police dept would ruin that and bring in union officers that protect bad cops and hurt good cops, hurt response times and citizen/officer relations. Let the people choose their top cop not a board!!! A charter government will only succeed in putting more power in fewer hands, raise taxes and put this county on the same path as PG and other corrupt charter governments and takes decisions out of the hands of the people. This is about power not what is best for the county. | 3/5/2024 7:58 PM |
| 146 | If this is what a charter government board wants to do, raise taxes to start a police department then I don't want a charter government. | 3/5/2024 7:53 PM |

| 148 | Leave it alone. | 3/5/2024 7:31 PM |
| 149 | Please keep the current law enforcement model the way it is with an elected Sheriff (every four years). The only thing I'd like to see change is for you to increase their staffing levels. | 3/5/2024 7:22 PM |
| 150 | I believe this is a waste of taxpayer funds. Are we trying to emulate Prince Georges County? I hope not. Their form of Govt is a laughing stock, and I do not want to be like PG. If I did I would move and work in that County. | 3/5/2024 6:25 PM |
| 151 | Do not change our current system. | 3/5/2024 6:12 PM |
| 152 | Stop trying to destroy what's working. Our law enforcement is one of the most ethical agencies in the state. Plus an elected sheriff answers to the people they served not a politician with questionable ethics. | 3/5/2024 5:55 PM |

| 160 | I have an idea. Leave shit alone. The CCSO is doing a fabulous job and you clowns are trying to reinvent the wheel. | 3/5/2024 4:17 PM |
| 161 | Stop trying to fix stuff that isn't broke. This is just a power grab by some. Collins hates the fact he cannot tell the elected sheriff what to do. Let the taxpayers and voters have their say with our law enforcement. Collins has already proven he can't be trusted as he used his county issued credit card for personal use. Anyone else would have been charged with a crime. Can't wait to move from this disaster you created. | 3/5/2024 4:10 PM |

| 172 | There is no need for a Charter type government in Charles county at this time. | 3/5/2024 1:36 PM |
| 173 | I would want them to focus on other directions for the community. Most citizens that live here go other places to spend money because Charles County has little to offer. Focus there. | 3/5/2024 1:27 PM |
| 174 | No, law enforcement should be handled by law enforcement. | 3/5/2024 1:02 PM |

| 176 | No, the Charles County Sheriff's Office is doing a great job! | 3/5/2024 12:59 PM |
| 177 | CCSO IS DOING A GREAT JOB AND THIS COUNTY DOES NOT NEED ANOTHER GOV POLICE. WHY ARE YOU PUSHING THIS IDEA SO HARD? DON'T TRY TO FIX IT IF ITS NOT BROCKEN... | 3/5/2024 12:50 PM |
| 178 | Leave the Sheriffs Office as the primary law enforcement agency for the county. | 3/5/2024 12:43 PM |
| 179 | Leave Sheriff's Office alone to provide safety to county and don't muck up a combination of law enforcement agencies. Seems silly. | 3/5/2024 12:38 PM |
| 180 | It's not broke, leave it alone. The residence should continue to vote on who will be the Chief law enforcement officer of the county not someone who is appointed working at the pleasure of an administrator. | 3/5/2024 12:35 PM |
| 181 | No need for another law enforcement agency in Charles County. We already have La Plata Town Police and the Sheriff's Office. One more police agency will mean citizens being ticketed for the same infraction across multiple agencies for simply driving from Waldorf to LaPlata. | 3/5/2024 12:30 PM |

| 182 | CCSO is an amazing agency. They care about the community, they are actively community policing. They are trying their absolute hardest in the schools, despite the ridiculously relaxed laws. The "catch and release" cycle of arresting and the criminals being released is exhausting, but they still stop the "bad guys" ... Between CCSO, MSP, and LPPD in this county, along with the MdTA, why would there need to be more? These agencies work together amazingly. | 3/5/2024 12:19 PM |
| 183 | Leave Law Enforcement alone in Charles County, it works as it was designed. There is nothing to gain for the citizens; only the Commissioners. | 3/5/2024 12:16 PM |
| 184 | Support the law enforcement of this county when they do their job. When a criminal is charged and found guilty, hold them accountable. Our county would have less crime if fewer criminals were on the streets. | 3/5/2024 12:10 PM |
| 185 | Go away this is not PG county Charles County is already too expensive and the schools are a Joke ! We do not need a jobs program for carpet baggers !!!! | 3/5/2024 12:09 PM |
| 186 | me and my family do not wish and change to law enforcement. They are doing a great job. | 3/5/2024 12:05 PM |
| 187 | I support adding more personnel to the existing Sheriff's Office, but there's no need to add a separate Police department and divide responsibilities. | 3/5/2024 12:01 PM |

| 189 | The Charter Government can do as other counties which are larger then Charles County (Hartford and Fredrick) who have kept their Sheriff's Office as the primary body of Law Enforcement. There is no need for a County Police when the Sheriff's Office is doing a sufficient job. | 3/5/2024 11:53 AM |

| 194 | Keep as is. | 3/5/2024 11:26 AM |
| 195 | As mentioned above, additional funding and modernization efforts for both the Charles County Sheriff's Office AND La Plata Town PD would be the best solution. | 3/5/2024 11:26 AM |
| 196 | Instead of devoting time and attention to starting a Police Department, why not invest in developing the current infrastructure of the Sheriff's Office? It seems that there is an inefficient use of resources being dedicated to one idea, but not the other. If someone is unhappy with the current state, why not look to improve rather than completely start over? | 3/5/2024 11:22 AM |
| 197 | Don't fix something that is not broken. Look around the country and see how these carpetbagging chiefs make their way around the circuit. The sheriff is elected by the people who pay their salary, why take this away?? And how much is this going to cost? I guess it's easy when it's other people's money. Shameful. | 3/5/2024 11:12 AM |
| 198 | Leave law enforcement alone. If it is not broken, don't fix it. | 3/5/2024 11:04 AM |
| 199 | We should focus on funding our already existing law enforcement to add additional personnel | 3/5/2024 11:01 AM |
| 200 | No. Just a waste of time and money. | 3/5/2024 10:59 AM |

| 202 | NO CHARTER GOVERNMENT!!!! NO CHARTER GOVERNMENT!!!! NO CHARTER GOVERNMENT!!! | 3/5/2024 10:54 AM |
| 203 | Overall two of your ideas is to raise taxes which is astounding figuring Charles County pays one of the higher taxes in the state. Also the saying goes Don't touch something that isnt broke. All EMS/Fire/Police operate pretty efficiently. The biggest issue is you the government allowed a population influx and wont fund the proper gears. | 3/5/2024 10:54 AM |
| 204 | Provide more funding to the current law enforcement branch if necessary. | 3/5/2024 10:53 AM |

| 216 | A county police department would be an awful idea and accomplish nothing. Instead of establishing a new department, try supporting the department that currently exists. | 3/5/2024 10:47 AM |
| 217 | The sheriffs office isn't broken, so don't try to fix it. We have officers from all other agencies, including out of state agencies that come here because they have a better quality of life with the agency. We already have a hiring issue in the county because no one wants to become the police because of how badly they're treated. We WILL NOT have enough applicants to have a sheriffs office AND a police department. This plan is ridiculous. Keep what you have. | 3/5/2024 10:46 AM |

| 228 | The county should focus on continuing to have a mixture of county sheriffs and state law enforcement to continue to patrol the county. It has worked for decades. Implementing a system that has failed Prince George's, DC, and Montgomery Counties will not improve the quality of life. Charles County doesn't need more or less law enforcement. It needs quality law enforcement. The Maryland State Police and Charles County Sheriffs provide quality law enforcement as it stands now. | 3/5/2024 9:32 AM |

Police. But rather than taxing the citizens AGAIN, & frivolous County spending of tax dollars, the monies required to build or construct additional Police Departments, should be reevaluated in how our tax money has been spent - especially in the recent past. Charles County is one of the richest counties in Maryland - we should be, we're taxed outrageously. There SHOULD be money for these needs IF the County was/had been responsible in allocating tax dollars in the first place. Go back "to the drawing board", Board. Figure something out that won't, once again, require another tax increase from its citizens.

| 333 | Residents should think beyond who the current Sheriff is and instead think longer-term about how institutions that serve us regardless of the people in place. Police Chiefs and Police Officers are respected across the state of Maryland. And those positions are more accountable to residents if wrong doing occurs. The elected Sheriff in Frederick is facing federal gun charges and refused to step down for the good of the county. Residents in Frederick have no recourse. In contrast, qualified, trained police officers can be appointed by and executive and confirmed by a council. If wrong doing, poor policing, or questions arise, those departments have to answer public questions from the Executive and the Council on behalf of residents. That is more accountability for the public | 3/2/2024 9:08 AM |
