Hi Christie,

I spoke from heart. I talked about how my children and grandchildren have been impacted positively by Charles County schools and my hope that the Commissioner's would "give them what they need" referring to the school budget request. I also thank the Commissioner's for their leadership and financial support of our nonprofit Poima Movement through grant funding that we received via the Charles County Charitable Trust. I also made them aware that Poima seeks to support women in crisis with children in their care and we need funding to build a home for women and children. We are applying for funding through the Charles County Charitable Trust Transitional Housing Program Grant. I yielded the last 45 seconds to the school system.
