I write in regard to the recently passed House Bill 43 (HB43), Motor Vehicle Registration—Exceptions for Golf Carts—Authorization and in support of legislative proposal "submission # 3137468." Specifically, I request the Board of County Commissioners establish legislation that would allow the lawful operation of golf carts on Cobb Island MD pursuant to the provisions passed in HB43. My wife and I have owned a small waterfront house on Cobb Island for 13 years. One year ago, we moved here permanently (from Montgomery County). We purchased a golf cart and enjoy the extra freedom and fun it provides. It saves car fuel and also adds to community spirit. I have never heard neighbors speak negatively about golf carts on our roads. I have also never seen carts operated in dangerous ways. Drivers of cars, trucks, and golf carts are always very courteous to each other. I have never seen, or heard of, an accident or unpleasant encounter. Moreover, golf carts add to the relaxed environment we enjoy here on The Island. I encourage you to pass legislative proposal #3137468. Thank you so much. Dennis Collins
