I am for creating legislation, in addition to what is noted in the MD Constitution, for any person holding any county, school district or municipal office, including the office of a member of a board of education and the office held by any other elected official, the term or tenure of which office is fixed by law, whether the office be elective or appointive, except judges of the circuit courts, may be removed from such office in the manner provided through this effort for official misconduct, discrimination, harassment, bullying, retaliation, malfeasance in office, incompetence, neglect of duty or gross immorality or for any of the causes or on any of the grounds provided by any other statute.
