When do you have plans to update the Bryans Road area? Tired of my taxes going up and the community around me getting worse. The schools are a joke, most of the roads in our area are deplorable. I now understand why you are pushing the charter rule. Do less for the constituents and line the politicians pockets with more money... To be honest that is what I have found out about Democratic rule in our area. I always used to be proud to say I came for Charles County, no I am embarrassed. We have fallen so quickly it makes your head spin sometimes. I truly would leave if it were possible.
