Why has my property taxes gone UP \$300 every year? I moved to Charles County 4 years ago and my property taxes on my home go up tremendously each year. What happened to "Charles county" property taxes being affordable? The property taxes here are just as high as someone living in Bowie Maryland. What is being done about this? You are the ones who make these decisions and I must say that your decision to raise property taxes each year like this is only going to push residents like myself out and sell and relocate to another county.
