SQUATTERS A SQUATTER is a person who has illegally taken over your property, usually residential, whether occupied or unoccupied, a TRESPASSER, and lives there as if he owns it for however long he can, until he can rightfully prove Squatter's Rights based on the state of jurisdiction. We as citizens of Charles County and the State of MD, have to advocate and write laws that will prohibit this senseless behavior. We have to feel as comfortable away from our homes, as in our homes. Current squatting laws in Maryland are antiquated and need to be revised to protect legal homeowners so squatting can be treated as a criminal matter and not civil.
