Dear Commissioners:

At the Charles County Board of License Commissioners' meeting on September 5, 2024, the Board moved to support the legislative proposal submitted by David Martinez, Esquire on behalf of the Crabs on Deck at the Blue Crabs Stadium. This amendment to Alcoholic Beverage Article §18-1001, would amend the title of the license from Baseball Stadium License to Multi-Use Sports and Events Facility License; and authorize the license holder to sell liquor, in addition to the currently allowed beer and wine, on the premises of the facility, excluding any parking area.

Sincerely,

Kathleen Quade
Chairperson
