I am a Charles County resident and retired CCG employee. I ask the Charles County Commissioners to DENY the approval of Docket 90 Amendment #22-90(22) waiving the 85% rule. For over a decade, there have been an abundance of concerns about Lennar's lack of craftsmanship of their home and the difficulties our residents have had to get them to fix imperfections, problems, or oversight. Please force Lennar to fix the current issues and meet the 85% rule before they are able to start building anew. Thank you.
