Good afternoon, My name is Judith Murray Torney and live at 5740 Bumpy Oak Road, La Plata, MD the little blue triangle shape on the attached amended map for 45 years. Retired from the Charles County Sheriff's Office after 36 years as Deputy Director of Police Records and official custodian of records. I worked 5 years with the federal government. I know this isn't a job interview but I just wanted to let you know a little about me. First I thank you for changing my residential property back to the watershed conservation district WCD but we feel as though you only threw us a bone to shut us up so that you can precede your rezoning plans to the Commissioners so that they will approve your plan and start the process of building on the watershed properties. And then to only rezone us to commercial later! The watershed properties are still precious watershed land. Nothing has changed! Please at least consider keeping the attached property around my land as WCD. I have streams and forests around my historic property. My house was built in 1839 for Richard and Harriet Marshall family of the Marshall Hall Estate. I have two gravesites with the names of Truman

42 years old grandfather and Sara Dent granddaughter 3 years old on this property 1789. Very historic area and I love my home and the quiet woodland neighborhood. I enjoy the small planes and helicopter. Please only build on the airport light industrial area and save our WCD! Thank you.
